THE LITTLE FOLKS CAN HELP MOTHER WASH

The best washer is always the easiest to work. A child can run the "1900 GRAVITY" WASHER wash a tubful of clothes in six minutes and the garments will be cleansed better in that short time than a strong woman could do it by hand in an hour or more.

NO RUBBING, PULLING OR TEARING

the clothes remain stationary, while the tub swings to and fro, up and down, thus swishing the water in every direction and squeezing it through the meshes of the clothes. Won't injure the finest laces and lingerie, yet will wash heavy blankets and rugs with ease and rapidity.

I Cured My Rupture I Will Show You How to Cure Yours FREE!

I was helpless and bed-ridden for years from a double rupture. I wore many different kinds of trusses. Some were tortures, some positively dangerous, and none would hold the rupture. The doctors told me I could not cure it without a surgical operation. But I fooled them all, and cured myself by a simple method which I discovered. Anyone can use it, and I will send the cure free by mail, postpaid, to anyone who writes for it. Fill out the coupon below and mail it to me to-day.
