**Every Canadian Farmer Wants The World's Best CREAM SEPARATOR**

When you have a Sharples Dairy Cream Separator you have The World's Best. You can then say to your friends, "See my separator. It is later than, entirely different from and vastly superior to all others. It produces twice the skimming force of common separators, and skims faster and twice as clean. It makes profits for me which no other separator can make. My Dairy Tubular contains neither disks nor other contraptions, because the double skimming force makes such contraptions needless. My Tubular is the simplest, easiest to clean, most durable separator ever made."

Will you not be proud to own a separator you can speak of like that? It is a credit to your judgment.

**Sharples Dairy Tubular Cream Separators**

ARE GUARANTEED FOREVER by the oldest separator concern on this continent and the largest in the world. The manufacture of Tubulars is one of Canada's leading industries.
