

Diarrhoea Dysentery Summer Complaint and all Bowel Troubles

Are Curable by the Use of

DR. FOWLER'S Extract of Wild Strawberry

THIS STERLING REMEDY HAS BEEN ON THE MARKET FOR OVER 65 YEARS AND HAS YET TO FAIL TO DO WHAT WE CLAIM FOR IT.

If an unscrupulous druggist or dealer says:—

"This is just as good or better," just say—"Give me 'Dr. Fowler's,' I know what I want when I ask for it, and give me what I ask for."

The price is 35 cents per bottle. See that the name, The T. Milburn Co., Limited, Toronto, Ont., appears on the label as we are the manufacturers and sole proprietors of this remedy.

DEFINITION OF LUCK.

Luck means just rising at six o'clock in the morning;

Living on a dollar a day if you earn two;

Minding your own business and not meddling with other people's;

Luck means appointments you have never failed to keep;

The trains you have never failed to catch;

Luck means trusting—God and your own resources.

GOSSIP.

STONEHOUSE AYRSHIRES.

The great Stonehouse herd of imported Ayrshire cattle, the property of Hector Gordon, of Howick, Que., was never stronger than now in strictly high-class animals. Practically all of those in milk are in the official records, and all are tested as soon as they come in for the first time, and, if not up to the standard, find short shrift as representatives of the herd. It is this system of systematic culling and perpetual testing that has brought the herd up to the high standard it holds, and it is not only as a herd of exceptionally heavy producers that they excel, but as a herd of show animals they have few equals. It will be well remembered that last year at Toronto and Ottawa, they pretty nearly cleaned up everything hung up. This year they did not do so well, owing to a too close selling of the outstanding winners. The present stock bull, Auchebrair His Eminence (imp.), was second at Toronto and first at Ottawa, beating his Toronto conqueror. He is a bull of grand type and quality, and next year, in the aged class, will certainly make them all go. For sale are several grand young bulls, bred from imported and record stock, that are offered well within their value, and as herd-headers are as good as the breed produces. In females, there are always some toppers for sale.

SOME CLYDESDALE TOPPERS.

"The Farmer's Advocate" field man was much pleased, but not surprised, in looking over the 1911 importation of R. Ness & Son, of Howick, Que., a few days ago, to see so many high-class animals carrying the much-sought-after combination of size and quality, backed up by the most popular blood of the breed. We were not surprised because, for a great many years it has been the privilege and pleasure of the writer to visit the noted breeding barns and stud of the Messrs. Ness, and on all such occasions we were shown many remarkably high-class representatives of the great Scotch drafters. Their importation of this year, consisting of 21 head, stallions and fillies, is one of the best all-around lots ever made by them in the 40-odd years they have been importing horses, a few of which are here mentioned. Baron Squire 12522 is a bay three-year-old, by the great Baron's Pride, dam by the world-famous Macgregor. He, at once, is an infusion of the blood that has produced the most notables of the breed. He is a remarkably smooth horse, not too high up, very thick and compact, with a faultless set of quality underpinning. Royal Cup 12524 is a black two-year-old son of the great Silver Cup (by Baron's Pride), one of the most renowned horses of the day, and his dam is by the remarkably successful sire, Fickle Fashion. This is a big, outstanding quality colt, with a grand top and a grand bottom; a show colt all over. Another two-year-old is a bay of great character, powerfully muscled, strong in his back and strong of bone, is sired by Baron's Pride. These are representative of the entire lot, and all are prizewinners. Among the many big, drafty fillies on hand are such good ones as Nell Bowie 26305, a brown three-year-old, by Golden Chief, dam by Elator. Bess Spencer 26100, a bay two-year-old, by the famous show and sensational moving horse Sir Spencer, imported by the firm last year, dam by Mayfield Chief. A half-sister of hers, by the same sire, is Darling of Begg 26401, a bay two-year-old, with dam by Dunure Freeman. Katherine Sturdy 26102 is a brown yearling, by the famous Prince Sturdy, dam by King's Crest. Another yearling is by Honor, and a two-year-old by Golden Chief. Many of these are prizewinners. They have size and quality, with the best of breeding, and are all for sale. An attractive lot for the discriminating buyer.

Mr. Douglass: "Why aren't you a school teacher?"

Reply: "Cause I read in the history-book that 'an' successful man usually starts a life without many educational advantages, an' I'm more ambitious than the other boys."

DON'T DEPEND ON WOODEN WHEELS AND ORDINARY WAGONS

If you ever see a farmer coming down the road on a wagon and whistling a tune, you can make up your mind the wagon is a T-K Handy Farm Wagon with Wide-Tire Steel Wheels. The reason is that his wagon was loaded in half the time usually necessary with ordinary wagons, the load is greater by far, and the wheels take the ground (rocky or muddy) smoothly and without the least resistance.

Wide-Tire Steel
Wheels and
Handy Farm
Wagons

This is the kind of equipment you want to haul your loads. T-K wagons with indestructible wheels will outlast two ordinary wagons. The steel wheels are best construction possible. They are made with staggered spokes, so the tires won't bend between spoke-heads, while the hubs never wear out. Letters from thousands of farmers testify to their superiority.
