Don't Put Off Till To-morrow

WHAT you ought to do to-day. Life Insurance is a necessary investment, which cannot wisely be postponed. Our widows, children and orphans *must* be protected, at all hazards. It precedes all other assets, automobiles, or other conveniences. Even your home, in the last analysis, is not equal in value to a sound Life Insurance Policy.

Once you secure a contract with "THE CONTINENTAL LIFE," you are relieved of anxiety about possible financial losses, accidents or disease, or the infirmities of old age. Death itself does not mean utter disaster to those receiving a regular income monthly from *The Continental Life Monthly Income Policy*. By this your present earning power is perpetuated long years after your death. The fruits of Insurance—Love—are peace and contentment. Will you not secure it *now* while in good health, and you are able to get it?

See your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.
