

TRANSCONA

A SURE MONEY-MAKER

TWO MILLION DOLLARS spent last year, TWO MILLION DOLLARS to be spent this summer at **TRANSCONA**; and more to follow. Just imagine the employment these great shops will give to thousands of men; just think of the thousands of homes to be built, the stores, banks, etc., etc., etc. **TRANSCONA** will grow fast and profits will be made quickly. There is a certain future to this coming city. You cannot go wrong in investing there. Employment means money; Money means development. We do not depend on crops or mines: these shops have a great Trans-Continental Railroad to keep moving and repaired. We own and control **The Actual Town Site**. This is no outside Subdivision. There is only "**ONE TRANSCONA**," and we have it. We are placing on the market the unsubdivided portion of **TRANSCONA**. Now is your chance to get in on the "ground floor." Prices range from \$2.00 per foot to \$7.00 per foot on the main street; Terms one fifth cash, balance spread over two and a half years. Write, wire, phone or call. We will give you the fullest information. Reservations will be made for you. This property is being placed on the market Saturday, April 22nd.

Get Busy! This is the Best Proposition yet!
