The Guide Sells Livestock!

A recent investigation among the farmers of Western Canada conducted by one of the largest financial institutions in the Dominion, revealed the fact that readers of The Grain Growers' Guide are worth more per head than farmers who do not take The Guide.

I placed an ad. in your paper for two issues about six weeks ago, advertising five bulls for sale, and I wish to say I have had 12 replies up till now and they are still coming in.

Kindly withdraw my advertisement right away, quick, or I shall have to send you a bill for stamps to pay for replies.

YOU MAY REMOVE THE AD. I HAD YOU PUT IN THE GUIDE. One issue was all that was necessary. Good results. Many thanks.
