

Special Occasions

This store believes in completeness. It believes in variety. It sees that it has plenty of everything that a table supply store ought to have, for everyday needs and for special occasions.

Lent is a special occasion. It brings with it increased demands here and there on a grocery stock. We have prepared for it. Especially fish. Especially canned fish. About every edible variety has representation here

A few of them:

LIVE STOCK MARKETS TORONTO.

Receipts of live stock at the Union Stock Yards since Saturday morning were 176 carloads, comprising 1899 cattle, 928 hogs, 17 sheep, 108 calves and 1699 horses. The horses were in transit to France.

Trade was active in nearly all of the different classes of butchers' steers and heifers, with an advance of 10c, and for really extra choice cattle we think fifteen might be recorded in some instances, but one of the heaviest buyers for an abattoir only reported 10c advance.

There would be about 20 carloads of cattle that sold at \$8 and up to \$8.25, and there would easily be 20 carloads more that sold from \$7.75 to \$7.90. It will thus be seen that there were more good cattle than has been here for some time. The common and medium sold at steady values, but a little quicker sale on account of the good demand for the better classes.

Butchers' Cattle—Choice heavy steers \$8 to \$8.25; choice butchers' cattle, \$7.75 to \$8; good butchers, \$7.40 to \$7.60; medium butchers, \$7 to \$7.20; common butchers, \$6.40 to \$6.80; choice cows, \$6.50 to \$6.75; good cows, \$6 to \$6.75; medium cows, \$5.50 to \$5.85; common cows, \$4.75 to \$5; canners and cutters, \$4 to \$4.50; choice bulls, \$6.75 to \$7; good bulls, \$5.50 to \$6.65; common bulls \$5.25 to \$5.75.

Stockers and Feeders—Choice feeders 800 to 900 lbs., \$6.50 to \$6.75; good yearlings, \$6.25 to \$6.50; stockers, 700 to 1000 lbs., \$3 to \$6.25.

Milkers and Springers—Choice milkers and springers, \$85 to \$90; good cows, \$50 to \$60.

Calves—Choice calves, \$11 to \$10.75; common calves, \$7 to \$8.

Sheep sold \$7 to \$8; lambs, \$11.50 to \$12; spring lambs, \$10 to \$11.

Off cars, \$10 to \$11; light hogs, \$2.50 to \$3; heavy hogs, \$3.50 to \$4; corn prices, 10 percent off.

LAKELIST.

Wm. Wright bought a fine young cow at Wm. T. Turner's sale, Drew Station, last Thursday afternoon. She is a good one, and she needs to be, that Wm. may be able to hold his own with the rest of the burghers. Everyone here that owns a cow has the best one.

The measles are rampant in and around the burg. Hardly a home but has a victim. The school has been closed indefinitely. There is no one dangerously. The older ones have a much harder time than the little people. Mothers, though, will do everything and anything that their children may escape. Since it is a malady to which all human flesh is susceptible at some stage in life, we question if is the part of wisdom to almost lock up young ones to evade it, as it is a much more serious proposition to take it when grown up. This has been proven right here.

Louis Scheerer, who moved into the burg last fall, is leaving us and going to Hamilton to live. He is selling his furniture to his neighbors. He is talking of enlisting when he gets to the city. There will be two vacant houses in the burg then.

Geo. Horton, R. Caudle, Wm. Caudle, Jas Wright and Geo. Hubbard bought cows at M. Gillen's sale at Clifford on Saturday. They were young, but a little thin.

Clifford buyers paid \$10.00 per cwt. for hogs this week. There were quite a number went out. They are also offering good long prices for cattle. The farmers have no grounds for growling at prevailing prices.

Jas. Wright went to Rothsay for some hay. Hay is very hard to get here at any price. It is scarcer than a year ago and that is saying a lot.

R. R. Lang of Listowel is bringing a car load of stock to Listowel on Wed., March 22nd. There will be a number of good cows and young cattle.

We hear the farmers say that there was a very large number of hogs shipped from Gorrie and Fordwick on Monday. It will be a wonder if hogs do not take a slump soon.

The war has been affecting the book publishing business and eventually there will be a revolution in the producing and selling of books. Owing to the shortage of paper, binding materials, printer's ink and the advance in the price of type, the cost of production has increased about forty per cent.

A Dakota farmer walked in his sleep when it was 20 below zero. He got out of the window and walked a mile, wearing only his nightie. When he awoke he must have felt like many a visitor who has been put to bed in a place known as the spare bedroom.
