LONDON WON ONE AND LOST ONE
 Toronto Divides With Ottawa --Hamilton and Erie Play But One Game.

LONDON, July 2.—St. Thomas and London exchanged shut outs yesterday at Tecumseh Park before large crowds, despite the threatening weather, the Saints winning the afternoon contest by 2 to 0, while the locals took the morning conflict 5 to 0. Both games were exceptionally good exhibitions of Canadian League brand of ball, as the batsmen were unable to make enormous indentations against the opposing hurlers. This sprinkled with many fine plays on the defensive, contributed largely to make two big crowds highly pleased, irrespective to which team the fans leaned for victory.
 In the morning game not a single

Saint reached third base on Beebe, despite the fact that he was touched up for eight hits. London scored in the first three innings, and closed by scoring another tally in the seventh with two out.
 Score—St. Thomas 0, London 5.
 The afternoon game was a pitchers' battle between Hammond and Howick, with the honors slightly in favor of the latter. But for Whitcraft failing to gather in Snyder's peg to catch McNelis stealing, the Saints would not have scored a run. This, however, is an alibi, but it goes in baseball since it would have been the second out, and all chances to score on Giltspie's hit, would have been removed, as Nevitt flew out after that.
 Errors, hits and stolen bases gave the locals an opportunity several times to score, but Howick was the best man, since he did not allow the base hits when dangerous. St. Thomas 2, London 0.

Knotty's Colts.
 OTTAWA, July 2.—The Senators split even with the Beavers on the holiday games, losing the morning contest by a shut out, 5 to 0, and winning the afternoon by a score of 6 to 2. About two thousand fans turned out for the morning game and some four thousand to the afternoon game.
 Probably Auld was responsible for the downfall of the champions in the morning. While he allowed eight hits they were well scattered, only one of the champions reaching third base. In the morning game the Beavers got to Kubat hard in the fifth, getting four hits, which with Snyder's throw to first to catch Auld, netted three runs. Kubat was derricked out and Joe Lill finished the game, holding the visitors well in check up to the ninth, when singles by Auld and

BENEFIT MATCH WON BY STARS
 Two Football Games--Wanderers Beat Holmedale Tigers.

All Stars 3; Tutela 0.
 Wanderers 3 Holmedale 0.
 Two interesting games of football were played yesterday when six goals were scored by the winners to none by the conquered both games bringing the same result 3-0.
 The Tutela club met their first defeat of the season when they were not strong enough to overcome the stars of the league. The result of the game however was the outcome of opportunistic seizing chances and netting for the Tutela brigade had a fair amount of the game, but their shots were all well met and they could not often pierce a strong defence. Jones, centre for the Stars, played a fine game and did the scoring aided by Johnson. The game resulted in the nice little sum of \$18 being collected for the benefit of Hubert Hingley who had his leg broken some time ago in a Tutela League match.
 The Wanderers came across with a surprise when they put the Tigers of Holmedale to rout with a 3-0 victory. They played a great game and were worthy winners. Holmedale seemed somewhat disorganized and never got going against the persistent attacks of the soldiers of the past. This game attracted a large crowd who were given a good exhibition of British soccer.

It Was Whitewash Day at London
 LONDON, July 2.—London and St. Thomas treated each other with an application of whitewash when the locals won the morning game by 5 to 0, and lost the afternoon contest 2 to 0. Beebe outpitched Reilly in the morning game, while Howick held the Tecumsehs to four scattered hits in the afternoon, getting the best of a hurler's argument with Hammond. This was Howick's third win from London this season.
Hamilton Stops the Yankees
 HAMILTON, July 2.—The Athletics won yesterday morning's game from Erie by a 6 to 4 score after a hard tussle. Erie took the lead in the second and retained it until the sixth when the locals tied the score and then forged out in front in the 8th. Dorbeck worked on the mound for Erie while Clements started out for Hamilton. Dolan replaced him in the second and pitched sterling ball. Hamilton's consistent fielding and hitting was responsible for victory. The afternoon game was called off.

Woodstock Breaks Even
 With Guelph Leafs
 WOODSTOCK, July 2.—Woodstock and Guelph divided honors in a double-header baseball match yesterday. The locals captured the morning game 4 to 1 and the visitors in the afternoon contest, 12 to 6. Ward pitched excellent ball for Woodstock in the opening game, and had the situation well in hand throughout. In the afternoon Coast started on the mound for the home team—but was pulled out in the third when Guelph had scored eight runs and had three men on. Ward took up the work with Shea relieving Chantilly behind the bat, and pitched a clever game to the finish. Scores, morning game, Guelph 1, Woodstock 4; afternoon game, Guelph 12; Woodstock 6.

Red Sox Must Win to Restore Confidence
 The Canadian League Race Just Now is at the Crucial Point—July Will Probably Tell the Tale.

With nothing to cheer for on the standing of the team and with the two games of Monday and Tuesday of this week thrown away, combined with the fact that the weather was threatening, Brantford baseball magnates had a hard time of it yesterday. The attendance was the poorest which ever turned out for holiday games in this city. Making allowance for the weather, it must be said that Brantford must have a first division team if the interest of the fans is to be retained.
 It is true that Brantford started what is really the crucial month of the season by winning both games of the doubleheader. If the club went along winning consistently the end of July might witness the Red Sox fighting for the top. In some manner or other the club doesn't look right yet, although it is greatly strengthened, Deneau says he proposes to get a couple of infielders who are real hitters. If he succeeds it is hard to see where he can improve the infield. The strength of the club would then simmer down to what the pitchers can do. The big fellow, Nicholls, looks reliable. He pitched fine ball at Erie and came along with another swell performance yesterday afternoon. Gero should show a return to previous good form and so should Chase. Taylor has the ill-luck of the outfit. He pitches steady ball all the time, but the team has contracted the habit of kicking away games behind him. Four pitchers with many double headers coming, are not too many to carry for the remaining two months, and if the four pitchers named have a good hitting club behind them, the Red Sox will climb.
 Because the Red Sox won two games yesterday, there shouldn't be any premature celebration. They have got to win consistently from now on, in order to get back early season enthusiasm. Deneau had a tough job, in reconstructing a tailender and it cannot be said yet that he has failed to make good.
 Down in Hamilton the press in unanimous in calling for the resignation of Manager Yates. They say that Yates should trade himself to another club for a bat or a piece of cheese, and then he would be cheating somebody.
 Mickey Barney and Pitcher Worfel continue as failures to report. It looks as if both these players were kidding the Brantford club.
