Useless Information.
We always devour all the statistics we can find, says an exchange. They are wonderful. Listen:

If all the phonograph records made in one year were thrown from the top of Brock's Monument they would break.

It would take four men some time to lick all the postage stamps made in Ottawa in one year, but we don't know just how long.

If all the telephone conversations from corner drug stores in one year could be recorded on a phonograph, nobody could listen to them.

A male can climb to the top of Mt. Popocatepetl in five days. He can descend in five seconds.

If all the doughnuts made by the Salvation Army could be linked together in one chain, they would reach from Paris to Somewhere in France.

Lived on a "Pharm."

"I want some intelligent men as hospital orderlies," announced Lieut. Worley. "Any pharmacists in the company?" A six-foot-tall individual shuffled forward. "Ye gods," said the lieutenant, "are you a pharmacist?" "Shure ay bane pharmacist," was the indignant reply. "Vy ay bane work on pharm all mae life."
