

Such a Chubby Rosy Baby

Mrs. K. K. K. of Bayville, N.B. was so delighted with the way OLIVEINE EMULSION restored her baby's health, that when her baby did not seem to be doing well she put the baby on

OLIVEINE EMULSION

The Great Health Restorer

As Mrs. K. K. K. writes up, "I used several bottles of OLIVEINE EMULSION and found it splendid. I am now giving it to my baby. She was very thin and delicate before I began and now she is so fat and healthy."

OLIVEINE EMULSION is a wonderful health builder for every member of the family—young and old alike. It makes good, red blood—improves digestion and appetite—strengthens the nerves—and restores vitality.

It is pleasant to take and agrees with the stomach. REMEMBER—ask for OLIVEINE EMULSION and do NOT take a substitute or something sold to be just as good. Sold by Druggists and General Stores.

Your Grandmother

did not have her photo taken when she was a baby because there were no such things as photographs in those days. But wouldn't you like to know what she looked like when she was a little tot?

Your baby is a baby but once, so why not have a nice photo as she is today—she is worth it!

Our baby photos are distinctly child-like. All styles—all prices.

TOO MUCH COLOR

"Your narrative is too highly colored," remarked the editor, returning the bulky manuscript.

"In what way?" inquired the disappointed author.

"Why," replied the editor, "in the very first chapter you make the old man turn purple with rage, the village turn green with envy, the hero turn white with anger, the heroine turn red with confusion, and the coachman turn blue with the cold."—London Tit-Bits

Still Hopeful

"My boy," said Mr. Grubbs, "I'm going to pay your poker debts, but this is positively the last time."

"Thank you, dad. Something tells me I won't have to trouble you that way any more."

"Good! Then you are going to quit gambling?"

"Well, not exactly, dad. I have a hunch that my luck is going to change."

Plainly a Personage

"I don't know who that solemn guy over there is, but I'll bet he's somebody important," whispered Bobbie of the night-fire restaurant.

"What makes you think so?" returned Claudine of the same establishment.

"He never says anything about it, does he?"

"No; but, my gosh, he can actually look dignified while eating spaghetti!"

ONWARD AND UPWARDS

"What has become of the man who used to rock the boat?"

"He has progressed with the times. He is not satisfied now unless he is running up the equator of an aeroplane."

Eating or Sleeping

A man is often like a horse. We've heard some people say: But surely both are happy when it's time to hit the hay.

Consideration Considered

"Have I not been a considerate wife?" she asked reproachfully.

"Considerate!" he exclaimed bitterly. "In what way?"

"Has there ever been a night when you were out late that I haven't left the light burning for you?"

"And you call that being considerate? You have—but who pays the bills?"

Care Association

"The prima donna has decided to divorce her latest husband."

"On what grounds?"

"She says he insists on sitting in the same box every night when she sings. As a result they have been thrown together so much that he has gotten on her nerves."

Painful Topic

"I'm afraid Miss Sereleaf did not enjoy the party."

"An old friend of hers was among the guests, a lady who has three grown children. She kept referring to the time when she and Miss Sereleaf were girls together."

Flying High

"You know we promised a golden apple to the most beautiful girl at the ball."

"Well?"

"The jeweler hasn't finished it. What shall we do?"

"What do we care for expense? Award her a real apple."

Its Style

"Somebody says a baby in the house is a wellspring of joy."

"Don't you believe it. From the amusement standpoint, a baby in the house is a screaming farce."

Wanted to Know

"Excellent floor this," said the clumsy dancer.

"Then why dance on my feet?" asked his unlucky partner.

A VERY PRESENT HELP

"It's when a man is in trouble that he realizes the value of a wife."

"Sure! He can put all his property in her name."

Something Cheap

The price of everything is so dear—it makes me almost weep; but one thing still remains the same—that's talk—no usual—cheap!

Playing to a Crowd

"Two is company, three is a crowd." "I like that adage," declared Yorkie Hain. "It has frequently made me feel better when estimating the size of an audience out front."

Unprepared

"Weren't you taken by surprise when he proposed to you, dear?"

"Goodness, yes. Why, I hadn't even looked up his financial standing."

"I Cannot Go"
