CHERRY AND LUNGWORT, coughs, Colds, Hoarsness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT.

Consumption can be and has been cured, in thousands of cases, by this only certain remedy, JUDSON'S CHEMICAL EXTRACT OF CHERRY AND

LUNGWORT, and no remedy has ever before been discovered that will Cure Consumption.

The most strongly marked and developed cases of Pulmonary Con-sumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physician; and friends, to be past all possibility of recovery, and at times though to be dying, have been cured by this wounderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

COUGHS AND CONSUMPTION.

Its operation is mid, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and cheat, and this, after the prescriptions of the very best, acidical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE
persons have been deceived repeatedly in buying medicines which
were said to be infallible cures, but which have proved only pallintives, but this medicine is not only a pallistive but a cure for
ulcerated lungs. It contains no deleterious Drugs and one trin
will prove its assonishing efficacy better than any assertions or
certificate in curing consumption and all diseases of the Lungs,
such as Spitting of 01-00d, Coughs, pain in the side and cheat, wightsuccats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by
this medicine, from some of the first Dictions, therefore and vicechants, have been sent us for this medicine, but the publication of
them looks too much the Quackery. [we will show them to any person, calling at our office.]

This medicine will speak for itself and
enough in the own frous wherever it is tried.
