

The Protector & Christian Witness

WEDNESDAY, FEBRUARY 17, 1858.

THE PROTESTANT COMBINATION.

As it is the aim of certain parties to circulate a variety of opinions concerning the existence and nature of this organization, we shall state to our readers to-day what has given rise to it, its design, its constitution, and the means which it employs to accomplish its ends. We are no secret society; our cause is advanced by the widest diffusion of our real views and principles...

The last Examiner presents to his readers what he calls some "elegant extracts" from the Protector. He charges us with accusing the Lieutenant Governor of "disloyalty." We deny the charge. We said not one word about Sir Dominick Daly being disloyal. We said that for governors, or any inferior rulers, to favor that against which the Empire protests in its very constitution, is disloyalty.

WESLEYAN MISSIONS. The Forty-first Annual Meeting of the Charlotteville Branch will be held in the Wesleyan Church on Tuesday evening, Feb. 23d. The Chair will be taken at 7 o'clock, precisely, by His Worship the Mayor. The friends of Missions are respectfully invited to attend.

YOUNG MEN'S CHRISTIAN ASSOCIATION. A Valuable Prize of Books Will be given for the best answers to the following Questions—subject to the conditions at foot.

- 1. There are two words used in the Old Testament which, if understood according to their present meaning, the one would convey a meaning the opposite of the intended one.—the other would state an impossibility. Where are they to be found?
2. The man who first declared the general destruction of the world by fire?
3. Show from the Scriptures the insufficiency of unenlightened reason fully to comprehend Divine truth.
4. A great truth uttered three times by the same person; but in two apparently contradictory; the third reconciling the last and the second?
5. Two Parables related to two Kings, to convince them of their wickedness?
6. A curse pronounced against a Prophet and his descendants, for not rendering due honor to God, and showing its complete fulfillment?
7. Show from the Bible when Marriage was first instituted, and why Polygamy was permitted to the Jews?
8. An honorable spirit conferred by the Lord upon a King whose sin was idolatry.—name it?
9. Relate an instance from the writings of Solomon, showing that those who do good to others are often treated with neglect, and the very quality which ought to be admired is often despised.
10. What two classes of men always come to want?
11. What do we find the first reference to?—"Coined money"—"Measures of length"—"Time Keepers"—"Trade and Commerce"?
12. A Conversation quoted in the book of the Prophets that might have been introduced in the book of the Law?
To be open to competition to all members of the Young Men's Christian Association, except Ministers of the Gospel.

Mr. Speaker and Gentlemen of the House of Assembly: I have convened you, at the usual period of the year, for the consideration of the affairs of the Island, relying with full confidence that your labors will be resumed in a spirit which will attest your zeal for the public welfare. A beneficent Providence has again blessed us with an abundant harvest; and the state of the Revenue, which exceeds in amount that of the previous year, is satisfactory.

OPENING OF THE LEGISLATURE

At two o'clock, yesterday, His Excellency the Lieut. Governor, was received at the Colonial Building, with the usual formalities, when he opened the Session with the following Speech: Mr. President and Honorable Gentlemen of the Legislative Council: I have convened you, at the usual period of the year, for the consideration of the affairs of the Island, relying with full confidence that your labors will be resumed in a spirit which will attest your zeal for the public welfare.

CORRESPONDENCE.

To THE EDITOR OF THE ISLANDER. Sir,—In your last issue there appears a long article, headed "The Testimony" of the States, in which you are pleased to make some rather startling assertions relative to certain matter contained in the Editorials of the Protector, with regard to the grave charges of "Infidel Doctrines" now imputed to you. I have the honor to reply to the author of the Editorials you allude to; but there are other points mooted by you, connected with Astronomy, so extraordinary that I scarcely know how to characterize them.—In your own words, you are singularly ill-posted up in the subject you attempt to discuss, thereby betokening an ignorance of astronomical discoveries I could scarcely believe probable, or else you suppress facts for the purpose of strengthening your position for attack.

As on the occasion of the presentation to the Honorable the House of Assembly of the Petition in favor of the introduction of the Bible into the schools in this Colony, you complained that your remarks on the rejection of the prayer of the petitioners were subjected to unwarrantable influences, so at the present moment, in quoting you, you complain that your remarks on the rejection of the prayer of the petitioners were subjected to unwarrantable influences, so at the present moment, in quoting you, you complain that your remarks on the rejection of the prayer of the petitioners were subjected to unwarrantable influences...

TO THE EDITOR OF THE ISLANDER.

Sir,—The following statement appeared in the last of your paper, in the editorial remarks, under the head of "Elegant Extracts." The accusation of disloyalty against the Lieutenant Governor—an accusation based upon no other ground than that of his being a Catholic—may excite a little surprise when we inform you that the paper which prefixes this charge depends for its actual existence upon the necessary support of several gentlemen who hold Her Majesty's Commission, and who receive from the Crown, whose servant His Excellency is, the means of their subsistence, and the disloyalty in the Colony over which he has been appointed to preside. Commander Orlebar, and the officers under his control, of Her Majesty's Surveying Department, are well known to be the principal contributors to the fund by means of which the Protector "drags its slow length along."

NEW BY TELEGRAPH.

EXCHANGER ROOMS. CHARLOTTEVILLE, MONDAY, 11 A.M. Steamer Niagara arrived at Halifax yesterday, at 7.30 a.m. The Earl of Mulgrave's family and suite came passengers by her. The Niagara had very heavy weather. Parliament to assemble on the 4th instant. Lord Palmerston has issued circulars soliciting the early attendance of the supporters of Government, as matters of considerable importance would come under discussion. A numerous deputation waited on Lord Palmerston to urge the immediate abolition of Church Rates, but met with little encouragement; they adopted an indignant resolution pledging themselves to press forward on independent Bill on the subject. Prince Frederick William of Prussia has been invested with the Order of the Garter. The Leviathan is 25 feet off the ends of her launching ways; has over 17 feet of water under her, and is expected to float on 30th. The resolution pending before the general court of the East India Company, deprecating the proposed change of the Government of India: carried almost unanimously. London Advertiser says, that the India Bill will be modified, if not withdrawn, or shelved at the end of the session. Heavy drafts of troops under orders for India. Bank of England reduced the rate of discount on the 20th to 4 per cent. India Times, correspondent says, the scenes after General Wyndham's defeat were fearful; hospitals crowded to suffocation. Sir James Outram defeated the enemy on the 22d December, at Alumburgh, capturing 4 guns. Colonel Sinton's column re-occupied Mysore on the 27th, after defeating the rebels and taking 6 guns.

Sir Colin Campbell still at Cawpore.

China London Times, correspondent of Decr. 16th says, Yeh returned an insolent answer to the Ultimatum of the English Plenipotentiaries. Forces would attack Canton in a few days. Other foreign news generally unimportant. R. HEDDINGHAM & Co.

On the 1st inst., by the same, Mr. WILLIAM McARTHUR, to Miss BARBARA RAMSAY, both of Lot 15. On the 11th inst., by the same, Mr. WILLIAM McARTHUR, of Lot 14, to Miss KESBECIA PICKERING, of New London. On the same day, by the same, Mr. DAVID REVERE, of Lot 25, to Miss MARGARET COLE, of Lot 17. On Tuesday last, by the Rev. D. F. Gerald, Mr. CHARLES JAMES BIRDA, to MARGARET, eldest daughter of Mr. Alfred Groom, all of this city.

Died. At the Head of Hillsborough, on Monday, the 1st instant, Mr. THOMAS DOWDY, senior, in the 77th year of his age. The deceased was a man of remarkable integrity and genuine piety. He had been a member of the Presbyterian Church, in full communion, for about fifty-one years, and discharged the duties of an Elder in the congregation of St. Peter's for about thirty-four years. His conversation in his later years was calculated to remind us of the Psalmist's declaration—"The Righteous shall flourish like the palm tree; they shall grow like the cedar in Lebanon; they shall still bring forth fruit in old age." He was highly respected by his brethren in the church, as a very consistent and exemplary member; and by his brethren in the society of Christ as a most faithful and useful co-laborer. The interests of Christ's kingdom were very near his heart, and his ceaseless prayer was that God would establish and maintain his Church and Kingdom on earth. His efforts for the prosperity of the church were not confined to prayers and plans of usefulness, but he was ever ready, as far as his means allowed, to contribute to his assistance to support every useful scheme that was adopted by the Synod. His sympathies, prayers, and contributions were especially drawn forth on the Synod's Mission to the South Sea Islands. Being a modest man, he was generally reluctant to speak of his religious experience, but he had recently disclosed his mind very unreservedly to his pastor and a few of his friends, to whom he gave a very rational and scriptural account of the way in which he was led to the humble assurance that he was one of Christ's flock. He has left behind him 11 children and 21 grandchildren to mourn the loss of one that was ever anxious for their spiritual, as well as their temporal welfare, and who did what was in his power to have them all trained up in the nurture and admonition of the Lord; and who, as far as he could by external appearances, was in the matter unusually successful. His funeral, which was one of the largest ever seen at St. Peter's, took place on the 2d day of February. The Rev. Henry Crawford preached on the occasion, from Hebrews ii. 4—"He being dead yet speaketh," from which he showed, last, that every man who dead speaketh, or that every man's influence is felt after death; 2nd, some of the solemn truths which we may suppose the righteous dead to speak. By his death the church has lost a most warm-hearted and public-spirited friend, and the Synod of St. Peter's a most active co-laborer, and the community of Hillsborough a highly respected member, and her little Sabbath School an indelible benefactor. At Hoston, N. B., on the 27th Jan., JOHN C. CHARLTON, eldest son of Henry Charlton, of this City, in the 39th year of his age, leaving a wife and two children to mourn their loss. On Saturday morning, 13th instant, Henry Linton, youngest son of Mr. G. R. Beer, of this city, aged six months. At Ashfield, Lot 16, on the 7th instant, after a short illness, Charlotte McDonald, the beloved wife of John McDonald, Esquire, aged 74. Her life and death gave satisfactory proof that she rests in the Lord. On the 15th inst., at the residence of Mr. Joseph Wise, New Glasgow Road, Mr. William Burgoyne, aged 82 years; much respected. At Cable Head, on the 30th December, Mr. ALLAN MacDONALD, at the advanced age of 82. The deceased emigrated from South Uist, North Scotland, 69 years ago. He leaves a large number of friends to mourn his loss. At Cable Head, on January 13th, MARY, the beloved wife of Mr. Joseph McDonald, aged 30 years, much regretted by all who knew her. She leaves a young child and disconsolate husband to mourn their irreparable loss.
