CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observation of the laws of health, and the systematic use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda, will accomplish this result. This preparation has all the virtues of the most valuable specific, in a form perfectly palatable, and as effective as the most delicate stomachic, and it is the only remedy that has been found to cure Consumption, and the diseases leading to it, such as Chronic Cough, Bronchitis, Scrophulous, Anemia, General Debility and the Wasting of Children, than any other remedy known in medical science. The rapidity with which patients improve on this food medicine is truly marvellous.

See what Physicians and the People Say About It.

Messrs. SCOTT & BOWNE. 66 West Thirty-sixth Street, New York, September 8, 1876.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, valuable and efficacious.

Messrs. SCOTT & BOWNE.—Gentlemen,—With him, last year, I have used in my own family, and in my private practice, prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites, and found it a most valuable preparation, especially in cases of children. It is agreeable to the most delicate stomach, which renders it a very reliable remedy in consumptive and scrophulous cases.

Oct. 12, 1879. Yours respectfully, A. H. SEXTON, M. D., Baltimore.

Messrs. SCOTT & BOWNE.—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice. In a case of chronic cough and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.

December 10, 1876. Yours truly, J. SIMONARD, M. D., Baltimore.

Messrs. SCOTT & BOWNE.—Gentlemen,—In September, 1877, my health began to fail, and my physician pronounced it scrophulous; under his care I got some relief, but my general health did not improve, and early in the winter I began to cough and rapidly grew worse. In May last I was taken with a violent bleeding, which brought me to my bed, and my life was despaired of for many days. My physician stopped the bleeding and then ordered Scott's Emulsion of Cod Liver Oil with Hypophosphites, but they did me no good. I lost all hope of it, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before I was a week I was better. I afterwards bought a dozen bottles, with the following results: Cough subsided, night sweats stopped, appetite improved, and I began to gain weight, and my weight increased from 115 to 145 pounds. I am now perfectly well, and I can do all I can to make known your valuable medicine.

January 20th, 1879. Very truly yours, H. F. SLOCUM, La.

Messrs. SCOTT & BOWNE.—Gentlemen,—About the 25th of last April I got a bottle of your Emulsion and at that time I was so weak and so generally suffering, I could live longer than a few weeks at most. I commenced the use of the Emulsion in small doses; it was the first thing I saw on my stomach; I continued it, and was gradually regaining the use; and from that time, my health improved, and now am able to ride and walk, and am feeling better than I have for many years. I am sure I shall never recover from the effects of your Emulsion. I am gratefully yours, R. W. HAMILTON, N. B.
