How Forest Fires Start

The rise in the price of lumber has awakened all Canadians to the fact that the forests comprise one of Canada's greatest resources. The land on which our forests stand is in the majority of cases not fit for farming, and, consequently, the time when no forests are growing thereon represents a dead loss. Forests grow again with comparative rapidity, but areas burned over by fire are slow to reproduce, and when trees come on again they are likely to be of inferior kinds. Thus there is every inducement to save our forests for the axe and to save them from fire. Yet in Canada eight or ten times as much timber has been burned as has been cut. Our governments and lumber companies are now fighting forest fires, but they still take a terrible toll. Fires start from many causes, but camp-fires left alight by tourists and hunters, and cigarette stubs and burning mat-

OWES HER LIFE TO "FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

MILE ANTOINETTE BOUCHER
917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good. I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored. I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

Have You a Tree Plantation?

During the past twenty years a number of patriotic farmers and land owners in Eastern Canada have

sought to test the possibilities of growing groves of forest trees either from seed or from young plants. In some cases these have been walnut, chestnut, or basket willow, in other sugar maple, oak, pine, spruce, or cedar. The information as to the success of these plantations and the soil and other conditions is of the utmost value to those studying tree growth in Canada. The Director of Forestry, Ottawa, would be glad to learn from the owner of any such plantation, especially those more than ten years old, particulars, location, etc. If conditions and location warrant, an officer of the branch will endeavour to visit the plantation in the course of an inspection trip.

'Why She Loved Him' Great Success

Crowded House Sees Four Act Drama and Splendid Specialties

"Why She Loved Him" the four act drama, produced in Chatham last Thursday and Friday evenings, under the auspices of the Earl of Chatham Chapter L. O. D. E. was presented in Newcastle Tuesday evening, and was a great success in every way, reflecting credit on all connected with the entertainment, particularly the director Mr. Theodore Bird.

The different characters in the cast were well taken and the audience enjoyed the play from the lifting of the curtain at 8.30 o'clock to its final drop at 11. The different specialties were gorgeous with costume and decorative effects and charming in their conception. The singing of little Miss Shirley Nicol was charming and hundred of applause greeted the little Miss at the close. She was presented with a beautiful bouquet.

The selections from the orchestra were thoroughly enjoyed and every one went home satisfied with the evening's entertainment.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "leaky" headachy, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or stubbornly constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best.
