On motion of Coun. Parker, Coun. Sutherland was excused for the afternoon.

On motion of Coun. D. Doyle, R. A. N. Jarvis was elected official reporter.

On nominations for Warden being asked, Coun. Gill was nominated by D. Doyle and D. V. Allain, and Coun. McKnight, by Couns. Pond and L. Doyle, and on a vote being

taken, Coun. McKnight was elected Warden.

On motion of Coun. Gill the election was made unanimous.

Warden-elect McKnight thanked the Council for the honor in placing him in such an important position, but he would do his utmost to fill it as acceptably as had been done in the past two years. He missed Coun. Vanderbeck, who was one of the oldest members of the board and who had served his parish faithfully and well, and hoped that before the session was over a token of appreciation of his services and regret of his death would be passed by the Council. Two matters that he wished to bring before the Council was first the excessive taxation necessary, due to the murder trials, and the other was that strictest economy must be practiced to keep expenditures down, as under present conditions it was difficult for the laboring man to make both ends meet. He would try to fill the office without favor or partiality.

On motion of Coun. D. Doyle a vote of thanks was tendered the retiring Warden, Wm. Anderson. Coun. Anderson replied feelingly and thanked the Council for the support they had given him during his term of office. During that time Secretary Williston had passed away suddenly and he had had to take charge of the office until Coun. Doyle came to his assistance. When the books were audited the late Mr. Williston's accounts were found in perfect condition, which was a record after so many years of service. He said that all should be proud of the new Secretary, Mr. W. H. Teed who was a good one and the Council should be congratulated upon his appointment. He was a good servant and had done his work well. All should put their heads together and work for the reputation of the County.

On motion of Coun. Sinclair the Warden appointed a committee of five to nominate Standing Committees. Committee: Doyle, Anderson, Gill, Parker and Allain.

The following are the standing committees appointed:

County Accounts—Anderson, Parker, Gill, Sullivan, Baldwin, Mersereau, D. Doyle.

Contingencies—D. Doyle, Sinclair, Harriman, Allain, Savoy.

Petitions—Pond, Walls, Gulliver, Holmes, Johnston.

## Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

### SO MANY PEOPLE ARE NERVOUS

#### "Fruit-a-lives" the Greatest of all Nerve Remedies

**This Fruit Medicine Restores Health**

The increase in the number of persons suffering from Nervousness is world-wide; due, in a measure, to the reaction following the war. Sleeplessness, Headaches, Mental Depression, Rheumatism, Nervous Dyspepsia, Bad Heart Action, are the results of a disturbed condition of the Nervous System.

The nerves and the blood are so intimately, so vitally, connected that the condition of one is bound to affect the condition of the other. If the blood is laden with impurities, it is impossible to have strong, steady nerves.

The first essential in treating nervous troubles is to purify and enrich the blood. This "FRUIT-A-LIVES" will do.

"FRUIT-A-LIVES" stimulates the bowels, kidneys and skin and purifies the blood. "Fruit-a-lives" improves appetite and digestion and insures food being properly digested, thus enabling the blood to carry wholesome nourishment to build up the body, particularly the nerves.

Men and women who take "Fruit-a-lives" for some form of nervousness—because they cannot eat or sleep or work or enjoy life—say that this fruit medicine is simply marvellous in its action.

### NEW BRUNSWICK BONDS FOR HYDRO AND ROADS SOLD

#### Ten Year 5 1-2 Per Cents Disposed of by Government to United Financial Corporation of Montreal for \$102,267

Fredericton, N. B., Jan. 16—The New Brunswick Government has accepted the tender of the United Financial Corporation of Montreal, for its new issue of \$1,890,000 provincial bonds for hydro-electric development and permanent roads, it was announced here tonight. This company's bid was 102.267 for 10 year 5 1/2 per cent bonds payable in Canada and New York.

Compared with the bid of recent date obtained by the Province of Ontario for 15 year 5 1/2 per cent bonds of 101.457 or 5.37 per cent equivalent New Brunswick has the advantage by a considerable margin.

This issue of \$1,890,000 in \$1,000 denominations is for hydro-electric development and permanent roads.

### TAKING THE RAILWAY OUT OF POLITICS

A conference was held in St. John Thursday between representatives of the Fredericton Board of Trade and C. A. Hayes, vice-president of the C. N. R., to discuss the protest made against a reduction of the train service on the St. John Valley division between Fredericton and Centreville, where the express train service has been curtailed from a daily to a tri-weekly arrangement.

Telegrams in reply to messages sent to the minister of railways and canals at Ottawa and to Vice-President Hayes have been received in Fredericton. The reply which Lieut. Col. W. J. Osborne, Liberal candidate in the last federal election, received from Hon. C. W. Kennedy, minister of railways, promised "action without delay."

Why is there not some "action without delay" in connection with the Whooper service?

When a man becomes disgusted with what he regards as the strange incomprehensible behavior of the neighbor women upon certain occasions the mildest thing he can think of saying of them off hand and with out deliberation, is that they are "catty!"

### Appetite Good, Gained 20 lbs. Could Not Feel Better

From a nervous wreck this man was restored to health, strength and happiness.

He tells his own story in this letter.

Mr. Ralph A. Roberts, Lovarna, Sask., writes:

"In 1917 I had lost all appetite, failed 25 pounds in weight, became very nervous and shaky and in fact given up all hope of recovery. For some time I had suffered from constipation, which kept getting worse, until I was fast becoming a total wreck. Doctors and their drugs were sending me to my grave at the age of 39.

"Then I read about people being restored by Dr. Chase's Medicines and after three months' use of Dr. Chase's Nerve Food and Kidney-Liver Pills I found that my bowels were restored to normal movement each day and the constipation was no more. I had a good appetite, had gained 20 pounds and could not feel better. I shall always be grateful for these benefits."
