Ambition Paves The Way to Success

Nothing is impossible to the man with ambition. If you have the desire to succeed coupled with an honest longing for work there is nothing that will prevent you from succeeding provided you receive proper technical training.

For success in business there is nothing that will push you so far ahead as a C. B. C. diploma—the passport to a big position and the open sesame to success in life. In this city alone over 20 p. e. of the population employed are graduates of the C. B. C.

C. B. C. courses include bookkeeping, shorthand, typewriting, business correspondence, banking, commercial law, navigation and engineering. Write for our free booklet and illustrated folder describing our courses.

Federal Parliament

On Wednesday 17th. the House of Commons debated old age pensions and net results of the discussion are:

Mr. White gave an excellent exhibition of careful parliamentary work.

Mr. W. F. Rickie, M. P., for Kingston, stepped into a front rank place among debaters of the House.

Mr. Emmerson declared that the Union Jack had been put to base uses, than those of advertising. There should be a provision in the bill to prevent the use of the national flag in political contests.

The subject came up in the form of a resolution moved by Mr. J. H. Burnham, M. P. for East Peterboro, calling for a committee to investigate the subject.

Mr. Burnham said that the old age pensions system was in force in Britain, France, Germany, and about to be introduced into the United States. In all cases it was found to work perfectly and was worthy of consideration in Canada.

The House of Commons was divided, were rather opposed to it.

LOCAL & OTHER ITEMS

An agricultural college on wheels is the latest thing originated for the farmers of Quebec.

An unidentified steamer was sunk with all hands, near Swansea, the other night, owing to a collision with the Canadian line steamer Veria, from Liverpool.

The Steamer Stanley broke the ice in Sydney harbor so completely that the people there are now convinced they could have navigation all winter long.

The winter steamers are crossing daily between Georgetown and Pictou, one leaving at five each morning. The mail special from Georgetown to Pictou generally in the vicinity of one o'clock daily, some times before.

The Allan liner Hesperian sailed from St. John, N. B., Friday afternoon for Halifax, en route to Liverpool, after discharging and loading in less than twenty-three hours. She had nearly three hundred passengers.

A head-on collision between a passenger and a freight train on the Canadian Northern two miles south of Lake Joseph on Saturday afternoon, caused the death of one of the trainmen and serious injury to three others.

The British steamer Wistow Hall foundered on the rollers of Bocabon, off the coast of Aberdeenshire Scotland Saturday morning last, and 83 of the crew were drowned. Only the captain and three of the crew reached the shore.

Rutherford Page, a wealthy graduate of Yale College, flying on the first day after receiving his license as an aviator, fell 150 feet in Los Angeles Cal., yesterday, at Dominguez, and was killed. The engine fell upon him, and his body was badly crushed.

A Nova Scotia paper states that of the 215,000 quintals of codfish caught by the Lunenburg fleet this season, fewer than 100,000 quintals remain in the hands of the fishermen. There is less dry fish in stores at Halifax today than for many years. An average winter stock five or six years ago was about 300,000 quintals. This season something like 80,000 quintals is estimated in stores.

On declaration day for the Provincial elections, in each of the three counties last week, the majorities of the Conservatives in about every case were increased from the figures published immediately after polling day. In the second district of King's county, Mr. Cox had one vote over Simpson, as the result of the votes of the different polls; but Mr. Simpson, had seven more electoral votes, so he was declared elected by a majority of six.

Race meets held by Associations which do not host incorporation acts of the Dominion Parliament are to be more. The Minister of Justice will bring a Bill to amend the Criminal Code, making the holding of such meets illegal. Racing Associations hereafter will have to get authority by act of the Federal or Provincial Legislature, instead of merely obtaining letters patent. The object of the amendment is to lessen the number of gambling meets.

The press of Canada has been publishing very complimentary comments on the Report of W. T. Ritch and W. A. Dryden, Commissioners appointed to investigate the Sheep Industry of Canada. Copies of this Report can be had on application to Dr. J. C. Balfourford, Live Stock Commissioner, and W. T. Ritch can be heard at Tracadie Cross on Thursday, February 1st, at 7 p. m., at Grand River, Lot 14, on Friday, February 2nd, at 7 p. m., and Georgetown on Saturday, February 3rd, at 7 p. m. It is to be hoped these meetings will be largely attended.

Hon. Martin Barrill, Minister of Agriculture, and Dr. J. G. Rutherford, Dominion Live Stock Commissioner, were in conference Tuesday with representatives of the various large packing establishments of Ontario and Quebec, including Wiggins, Toronto, and Blackall & Co., Montreal. The conference was held with the view of securing the co-operation of packers toward a more effective administration of the law for the inspection of canned products. The law amended five years ago was put under general review and a satisfactory understanding was arrived at for lightening up the administration, with the assistance of the packers themselves.

A bad accident occurred at Mont Carmel a few days ago, by which a six-year old boy, a son of the late Mr. Douglas Atkinson, was seriously injured, and may lose his life. The boy went into the horse stable to water a horse. Carrying a tin bucket of water he in some way stumbled and fell under the horse's feet. The horse, although a quiet one, became frightened and jumped about in the stable, trampling the unfortunate boy in such a manner as to almost crush his life out. He was dragged out by a companion. A doctor was sent for, and on examination it was found that his head and body were crushed and cut terribly. He has since been in a partial stupor, and small hopes are entertained for his recovery.

Card.

To the Electors of Charlottetown: Ladies and Gentlemen—I beg to inform you that I have at the solicitation of many influential citizens consented to nominate for the office of Mayor of Charlottetown.

I have always been in favor of the progress and prosperity of our City and all such progressive measures as the citizens desire and are deemed consistent with a reasonable expenditure of public money shall have my hearty support. If elected I shall do my utmost to administer this honorable trust to the advancement of the citizens. As the time is short, and especially as civic voting is now conducted by ballot I shall not be able, nor do I deem it necessary to prosecute a personal canvass.

I therefore avail myself of this opportunity to earnestly solicit your votes and influence in the approaching Mayoralty contest.

Thanking you for past favors and confidently anticipating your hearty support.

I remain Ladies and Gentlemen,
Your faithfully,
CHAS. LYONS
