When the heart becomes weak and does not do its work properly the nerves become unstrung and the whole system seems to go "all to pieces."
When this happens you need a tonic to build up both the heart and acryes, and Milburn's Heart and Nerve Pills will accomplish this for you, providing you to not let your case run too long and allow it to become chronic.
Mrs. Evangiliste Loverdure, Fort Coulonge, Que., writes: "Last summer my heart and nerves were so bad I could do steep at night, and my heart was so weak I could not go up stairs without help. My doctor said he could de no more for me as my heart was completely and told me that Milburn's Heart and Nerve Pills cured her completely. I mmediately gave her 50 cents to bring me a box, and since that day there is a workl, and my heart and nerves are stronger than when I was a little school girl. I uvise anyone with heart trouble to try them. No doctor can beat them."
