TORIC LENSES
ARE MORE BECOMING THAN
FLAT LENSES.
The edges of Toric Lenses do
not show as prominently as
those of flat lenses. They fit
close to your eyes. You will find
Toric much more becoming and
useful. They give you a wider,
clearer field vision. You should
know about Toric Lenses. Let
us explain them.

ABOUT STATIONERY!
You are paying just about twice as
much for your Stationery now as you
did a few years ago, and prices are
still soaring. There are certain
grades of paper which will not be
procureable at any price if things con-
tinue on as they are going, and this
applies especially to the better kinds.
We have just opened a shipment
of Stationery in boxes, packages, etc.,
and are selling it at prices for which
it would be impossible for us to offer
it again after this lot has been sold
out. We have
