### FRIENDSHIP

is no Criterion in the selection of an EXECUTOR. Quite the contrary. As a rule, the less personal interest an Executor has in an Estate, the better its affairs are administered. The selection of an Executor is a matter of business, not of friendship. Friendship should, therefore, give way to sound business judgment.

Appoint this Company your executor.

50 Years in Practice in Newfoundland. BROKEN PLATES REPAIRED.

Well equipped Dental Offices can now repair plates. A broken tooth is no reason why a plate should be discarded. A new tooth, or several of them, can be vulcanized onto the old plate and make the service absolutely as good as ever. If you meet with an accident that injures your plate in any way, consult your dentist about repairs before you discard it for a new one. You can often prevent a needless expense. jne27,tu,ed,tf
