

Five years ago no white man lived within six miles of Ottawa, Kansas. Now the place has 3,000 inhabitants. A man is engaged at Minneapolis in building a railroad, six feet by fifteen, to transport himself and family to Texas. Cosensational Union.—The annual Congressional Union will meet at Montreal on the 9th June. The Western Association meet at London on the 17th and 18th May. Why limp about the street, cursing and swearing with pain and rage at everything that comes in contact with your feet? Why wear continually a frown for fear some careless individual will plant his boot on your favorite corn? Get Briggs' Curative, and the frowns will give place to smiles. Your cursing and groaning will cease. Briggs' Curative is unsurpassed for the cure of corns, bunions, bad nails, chilblains, frost-bites and tender feet. For sale by all druggists, and country merchants generally. Dr. J. Briggs & Co., proprietors, 208 Broadway, N. Y., and No. 6 King-st. West, Toronto. Sold by E. Harvey & Co., Guelph.

So little business has been transacted in our market during the past week that the quotations given below must be regarded as merely nominal. Farmers are too busy seeding to bring in their produce; and this being the case, the market square presents a very deserted appearance. This state of affairs will probably continue for a week or two yet. From all parts of the country we hear that the appearance of the Fall wheat is most encouraging, and should a good winter occur, there will be a fine yield.

DYSPEPSIA.
There is no disease which experience has so amply proved to be remediable by the
PERUVIAN SYRUP.
(A perfect solution of the Protocarbonate of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens prove.
From the venerable Archbishop Scott, D. D., Dunham, C. E. I am an inveterate Dyspeptic of more than 25 years standing. I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. Persons who have known me are astonished at the change. I am widely known, and can I not recommend to others that which has done so much for me.
Another clergyman writes as follows:—My voyage to Europe has been indelibly postponed. I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the clutches of the fiend Dyspepsia.
A pamphlet of 25 pages containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address. Testimonials "Peruvian Syrup" blown in the glass.
