London Daily News proposes the sessablishment of the Bank of England, the Government making proper commation to the proprietors, and assuming the management, whereby the Bank ould be freer from excitements, and be pre-useful to the people at large, and the vernment would have interest and enther profits.

overament would have interest and eny the profits.

Great Success.—It is needless to say
at the success woich Dr. Briggs has
hieved in his profession as a surgeon
iropodist has been unparalleled in this
ace; many of our most estimable and
orthy citizens, ladies as well as gentleen, have been relieved from corns, bunns, club and inverted nails, without the
givest pain or uneasiness, and doubta many more would, had they in adeate appreciation and knowledge of his
lity. Few individuals are aware that
a disease of the feet, if not fatal to one's
are certainly as annoying as can be,
the remedy is simple and sure; the
an bunion or inverted nail must be
litully and carefully treated and the
an entirely ceases. The only way to
sain this relief is to apply to Dr. Briggs
person, and in a few minutes the
uble is over. Dr. Briggs can be conted at No. 6 King Street, Toronto,
ere all diseases of the feet are treated
the most skillful manner. Dr. Briggs
dern Curstive is sold by druggists and
atty merchants generally. For sale
E. Harvey & Co., Guelph.

TRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well-known to all medical men; when it becomes reduced-from any cause whatever, the whole system suffers, the weakest point being first attacked, and a feeling of languor, lassitude and "all gomeness" pervades the system. Stimmiants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of out. The true remedy is to small the same effect as giving a tired horse the whip instead of out. The true remedy is to small the same of the property of the same of the property of the same of the property of the pr
