TAKE NOTICE

That the Municipal Council of the Corporation of the City of London intends to construct the Local Improvement Works set out in the schedule hereunder, and to assess a portion of the final cost thereof upon the real property fronting or abutting thereon, to be immediately benefited thereby? and that the approximate annual rate per foot on the frontage and the number of such annual assessments are shown in the said schedule, and that a statement showing the lands liable to and proposed to be specially assessed for the said Local Improvement Works, and the names of the owners thereof, so far as the same can be ascertained from the last Revised Assessment Roll, and otherwise, is now filed in the office of the clerk of the

municipality, and is open for inspection during office hours. The following schedule shows the estimated cost of each of the proposed works, the amount hereof to be provided out of the general funds of the municipality, the approximate annual rate per foot, and the number of

such annual assessments, as aforesaid: **PAVEMENTS**

Description and Location of Work. 12. A sheet asphalt pavement, with
