MALE HELP WANTED

SALESMEN and AGENTS WANTED

Experienced and highly-trained oil men have investigated all of the prospective as well as the established oil companies in Port Norman and Slave Lake districts. They have passed judgment on these holdings and prospects, and we have made arrangements to handle the securities of one outstanding company, which offers all the speculative features of a new oil district, and at the same time pays a dividend quarterly. For salesmen or agents able to place a good security this offers a very liberal proposition.
