Four Instead of Two

world, Manitoba Red Fyfe wheat, and milled by the very finest machinery, in mills that are a model of cleanliness.

"ROYAL HOUSEHOLD" costs a trifle more by the barrel than ordinary flour but this trifle extra proves real economy when the loaves are counted. For "ROYAL HOUSEHOLD" goes farther than ordinary flour—farther in actual quantity of baked product.

Even if "ROYAL HOUSEHOLD" cost a great deal more than ordinary flour it would be well worth it for it is more nourishing.

You can't afford to buy inferior flour at any price. You can't afford to skimp on health. And you do skimp on health when you buy flour just because it costs less than "ROYAL HOUSEHOLD".

Send us your enquiries. Our prices will interest you and the quality of our flour will give you full satisfaction.

IT IS SIMPLY MARVELLOUS
NOTHING TO COMPARE WITH "FRUIT-A-TIVES."
After Physicians and Ordinary Remedies Failed to Relieve
This Famous Fruit Medicine Promptly Cured.
Thousands of people owe their good health to "Fruit-a-tives." Thousands of others are rapidly being restored to health and strength through the marvellous powers of this extraordinary medicine. Here is just one case in Lancaster, Ont.
"For years, I was a martyr to Chronic Constipation. I tried pills, etc., and consulted physicians without relief. Then I began to take 'Fruit-a-tives' and these wonderful fruit tablets entirely cured me."
(Mrs.) ZENOPHILE BONNEVILLE.
50c a box, 4 for \$2.50, or trial size 25c. At dealers or from Fruit-a-tives, Limited, Ottawa.

The Foolishness of it
Spending hundreds of dollars in building a splendid home or barn and then deliberately allow it to suffer for paint.
Martin-Senour Paint
100% Pure, Preserves
It feeds the hungry pores of the wood with pure linseed oil, and also insulates the surface absolutely impervious to climatic changes.
It seals wood from damp, keeps it from splitting, cracking, from sun and frost, blistering, rot and blowing, and, which helps the process of decay and ruin. Good paint buys more than fifteen times worth of insurance against the ravages of time.
The ingredients of a new paint are well known. In the main they are Carbonate of Lead, Oxide of Zinc, pure Colors, well ground by specially adapted machinery, and blended with pure linseed oil and pure turpentine drier.
A building owner who fails to recognize the great importance of selecting the right paint, will not his property value increase while he grows aged and decrepit, and his money is wasted.
Notify us if your dealer cannot supply you, we'll gladly direct you where our paint can be had.

DR. WOOD'S NORWAY PINE SYRUP.
Is Specially Calculated to Cure All Diseases of the Throat and Lungs.
Coughs, Colds, Bronchitis, Sore Throat, Hoarseness, Croup, Pain or Tightness in the Chest; and all Bronchial Troubles yield quickly to the curative powers of this prince of pectoral remedies. It contains all the virtues of the world famous Norway pine tree, combined with Wild Cherry Bark, and the soothing, healing and expectorant properties of other excellent herbs and barks.
Mrs. John Peltz, Windsor, Ontario, writes: "I was troubled with a nasty hacking cough for the past six months and used a lot of different remedies but they did me no good. At last I was advised by a friend to try Dr. Wood's Norway Pine Syrup and with the first few doses I found great relief and to-day my hacking cough has entirely disappeared and I am never without Dr. Wood's Norway Pine Syrup in the house."
The price of Dr. Wood's Norway Pine Syrup is 25 cents per bottle. It is put up in a yellow wrapper, three pine trees the trade mark, so be sure and accept none of the many substitutes of the original "Norway Pine Syrup."
