

ANYBODY who knows anything about insurance acknowledges that the Independent Order of Foresters is far and away the **Best Fraternal Benefit Society in the world.** It was founded in Newark, New Jersey, on the 17th June, 1874, and has spread all over the United States, Canada, and Great Britain and Ireland.

The Unexampled Progress and Prosperity of the Independent Order of Foresters

The cause of this unexampled prosperity and growth of the I.O.F. is due to the fact that its foundations have been laid on a **Solid Financial Basis**, and every department of the Order has been managed on business principles, thereby securing for all Foresters large and varied benefits at the lowest possible cost consistent with **Safety and Permanence.**

At date all Benefits have been paid within a few days of filing the claim papers, exceeding in the aggregate the princely sum of **Three Millions Five Hundred and Sixty-nine Thousand Dollars.** Look at this list of the Benefits which you may obtain for yourself by becoming a Forester:

FOR YOURSELF 1. The fraternal and social privileges of the Order. 2. Free medical attendance. 3. A Sick Benefit of \$3 to \$5 per week. 4. Total and Permanent Disability of \$250, \$500, \$1,000, \$1,500, \$2,000 or \$2,500, if the disability be the result of accident or disease; but if the disability be due to old age (after becoming 70 years old) the benefit shall be \$50, \$100, \$200, \$300, \$400 or \$500 a year for a period of ten years.

FOR YOUR FAMILY. 5. Funeral Benefit, \$50. 6. Mortuary Benefit of \$500, \$1,000, \$2,000, \$3,000, \$4,000 or \$5,000.
