ST. LOUIS, 1904	GRAND PRIZE
MILAN, Italy, 1906	GRAND PRIZE

Common Battery Telephones
"Bulletin No. 27-P"

KELLOGG apparatus is of the highest quality, being made from the highest grades of material, and assembled by skilful workmen.

KELLOGG 3, 4 and 5-bar generators are stronger and have a greater output of current than any other make.

KELLOGG ringers are loud, positive and are easily adjusted.

KELLOGG long distance transmitters and receivers have a world wide reputation for most excellent results.

KELLOGG switch-hooks have platinum contact points, protecting them from corrosion and burn-outs; also assuring good connections.

Magneto Telephones
"Bulletin No. 24-P"
