

The Markets.

Barley.

Prices remain firm, although there is nothing to report in the shape of transactions. No. 1 is quoted at 43½c. to 44c. asked east. Cars of feed are quoted at 40c. west and 41c. to 42c. east.

The stocks in store at Toronto on July 16th were 49,266 bush. against 34,607 bush. last year.

The visible supply in Canada and the United States is 90,000 bush., against 341,000 bush. in 1893 and 422,000 bush. in 1892.

Hops.

The market continues lifeless. Prices are tumbling everywhere, and in view of the promising state of the crops there are no present prospects of improvement.
