

The Toronto Daily Star

Under new management has more than doubled its circulation. New features, bright cartoons, special woman's page—these and other up-to-date departments have placed the Toronto STAR in the first rank of the afternoon papers of Canada.

THE UNDERWOOD

of the typewriters used in educational institutions in Ontario are

Underwoods.

Why? Because they are the most durable, the simplest, the most up-to-date and the easiest to learn. On the Underwood the writing is always in full view of the operators preventing errors and increasing speed. Write or call for Illustrated Catalogue.
