

TO THE CONSUMPTIVE.—Let those who languish under the fatal severity of our climate through any pulmonary complaint, or even those who are in decided consumption, by no means despair. There is a safe and sure remedy at hand, and one easily tried. "Wilbor's Compound of Cod Liver Oil and Lime," without possessing the very nauseating flavour of the Oil as heretofore used, is endowed by the Phosphate of Lime with a healing property which renders the Oil doubly efficacious. Remarkable testimonials of its efficacy shown to those who desire to see them. Sold by A. B. WILBOR, Chemist, Boston, and all druggists.

HATS for gentlemen at popular prices. Current styles ready. Fine silk hats \$3.25. Coxwell, hatter, 146 Yonge street, four doors north of Temperance street.

Pickering College!

TO PERSONS WHO WISH TO SECURE for their sons and daughters a thorough and practical education and to young men and young women who purp. se preparing for Second and Third-Class Teachers' Examinations, or for Matriculation into the University, or into the Law Society, or into the College of Physicians and Surgeons; this institution offers peculiar advantages. Its special features are:—

1st. Although endowed and maintained by the Society of Friends, it is open to young people of both sexes of all denominations. All students are expected to attend some place of worship, but it may be that which they or their parents or guardians select.

2nd. It aims to give a first-rate education at the lowest possible cost. The fees are only \$150 per annum, a proportionate amount for a shorter time; and they include tuition, board, washing, fuel, light, etc.,—every necessary expense except text-books.

3rd. Its curriculum and studies are precisely the same as in our best High Schools and Collegiate Institutes. But students attending this College have many advantages not to be obtained in most High Schools: such as board in College building, a reading room well supplied with the best current news and literature, comfortable study rooms, parlours, bedrooms, gymnasiums, playgrounds, etc.

4th. It is aimed to make the Scientific Department as thorough as possible. A very complete chemical apparatus has been purchased in Philadelphia, suitable for Second Class and Intermediate work. Every student in the department will be required to become a practical experimenter. Mr. Davis, the Science Master, is a Gold Medalist in Natural Sciences of the University of Toronto, and a thoroughly competent instructor.

5th. A Commercial Form is established in which students are thoroughly taught Commercial Arithmetic, Composition and Book-keeping. Any student in the Commercial Form may take any other subject in addition.

6th. Students who do not wish to prepare for any examination may take an optional course, and devote their time to special subjects.

7th. The means afforded for mental recreation are ample. Besides the reading room, there is a Literary Society which meets once a week, and a course of lectures by leading educationists and others will be delivered during the winter.

8th. The College building is so arranged that the sexes are separate except during recitations and in the dining-room. Boys and young men are under the charge of the House-master. Young ladies are under the charge of the Governess.

9th. The Committee and Officers hope to maintain a good moral tone in the school. A Bible class is held every Sunday afternoon. On Sunday evenings lectures on morals, character, and conduct are delivered by the Principal.

The management hope by dealing fairly and carrying out faithfully all that is undertaken, to secure a good class of students. None but those willing to do work for its own sake are invited to attend. The idle and vicious, after a fair trial, will be got rid of. There are no prizes, scholarships, or rewards; no marking system or competitive examinations.

THE INDEPENDENT.

THE INDEPENDENT appeals to cultivated men and women. It discusses current questions of religion, philosophy, and politics. It is wide-awake. It is not afraid. It sets people to thinking. It welcomes fresh truth. It has numerous departments. It publishes more religious discussion than the religious reviews, more poetry and stories than the popular monthlies, and gives more information than an annual cyclopaedia. It has a larger corps of the most famous writers than any other journal of any sort in the country. It makes strong friends of those who read it. TRY IT FOR NEXT YEAR.

We have purchased the newspaper copyright of the Boston Monday Lectures for 1879-1880, to be delivered, as heretofore, by the REV. JOSEPH COOK, beginning Nov. 3rd, and the same will be given *verbatim* to the readers of THE INDEPENDENT weekly, together with the Preludes, after revision by the author.

Sermons by Eminent Clergymen in all parts of the country will continue to be printed.

PREMIUMS

We have decided to withdraw on the 31st day of December, 1879, all the premiums now offered by us to subscribers, a full list of which appears below: so that those who would avail themselves of our liberal offers must do so before December 31st, 1879.

Worcester's Unabridged

Pictorial Quarto Dictionary

Bound in Sheep. 1854 pages. Over 1,000 Illustrations. Issue of 1879.

Our contract with the publishers of the Dictionary expires Dec. 31st, 1879, and Messrs. J. B. Lippincott & Co. absolutely refuse to continue the contract beyond that date on the same favourable terms. We are, therefore, compelled to withdraw the Dictionary premium at the expiration of the present year; but we purposely give ample notice, so that our subscribers and the public in general may avail themselves of the surprisingly low terms to get the Dictionary, in connection with THE INDEPENDENT. We will send this Dictionary to any person who will send us the names of Three New Subscribers and Nine Dollars; or who will, on renewing his own subscription in advance, send us Two New Names additional and \$9.00; or who will renew his own subscription for three years, in advance, and send us \$9.00; or, for a new subscriber for three years and \$9.00.

The regular price of the Dictionary alone at all the book stores is \$10.00, while the lowest price of three subscriptions is \$9.00. Both the Dictionary and the three subscriptions, under this extraordinary offer, can, therefore, be had together for only \$9.00.

The Rev. Joseph Cook's Books,

entitled "BIOLOGY," "TRANSCENDENTALISM," "ORTHODOXY," "CONSCIENCE," "HEREDITY," and "MARRIAGE," embodying the author's previous remarkable Monday Lectures. They are published in handsome book form by James R. Osgood & Co., of Boston. We will mail a copy of either volume, postpaid, to any subscriber to THE INDEPENDENT who remits us \$3.00 for a year in advance; or any subscriber may remit \$5.50 and we will send him THE INDEPENDENT for two years in advance, and two volumes, postpaid; or any three volumes, postpaid to any one subscriber who remits \$3.00 for three years in advance.
