EVENING LECTURES.

The first meeting of the Course of Thursday evening Lectures will take place on Thursday evening, Dec. 15th, at 8 o'clock p.m., in the Lecture Room of the Normal School, which has been again placed at the disposal of the Club, through the kindness of Dr. J. A. MacCabe, the Principal.

The usual course of Monday Afternoon Popular Lectures will not be given this season, owing to the large number of similar classes and lectures, which, for the present, render the course unnecessary. Owing to the unavoidable absence of the President, Dr. George M. Dawson, who has been summoned to England in connection with the Behring Sea arbitration, the inaugural address will be delivered by the 1st Vice-President, Mr. Frank T. Shutt.
