FIRE IN DARTMOUTH.—The large store owned by the Hon. J. E. Fairbanks, and occupied by Mr. Lewis Fairbanks, was totally consumed by fire at 3 o'clock on Wednesday morning last. The adjoining premises, occupied by Messrs. Stairs, Son & Morrow, of this City, were saved by the exertion of the Dartmouth Fire Brigade, under the command of Capt. Samuel Fountain, the very efficient head of the Firemen on the other side of the harbor. They drew their supply of water, by suction, from the harbor, and deluged the devouring element. The store thus consumed contained a large amount of property, all of which was destroyed. We learn that the whole was partially covered by insurance. The fire is supposed to have been the work of an incendiary.—*Chron.*

WHY WE GET SICK—Is a subject discussed by a late Magazine writer, who shows that Americans are subject to a host of diseases of the brain, nerves and stomach, which come in with modern civilization. Why do we not cure ourselves, is a question of equal importance and quite as difficult to answer, when it is known that Stone's Liquid Cathartic cures constipation and all disorders of the bowels. The Mountain Indian Lament cures muscular and nervous diseases. The California Herb Pills cure jaundice, dyspepsia and Liver Complaints. Stone's cough Elixir cures Lung disease and prevents consumption. Durao's Catarrh Snuff cures cold in the head, and deafness and catarrh in all its stages. Those who suffer from any of the complaints designated should try the appropriate remedy as here advertised.

Holloway's Pills, the most celebrated Remedy in the World for the cure of diseases of the Liver and Stomach. Edmund Alga, of Niagara, was for the period of nineteen years, a complete misery to himself, and a burden to his friends, he suffered so severely and continuously from liver complaint, and a disordered stomach, that he was constantly for weeks together confined to his bed, the doctors did him no good, and he therefore left off consulting them. Nine weeks ago he commenced using Holloway's Pills, and his wife called at the store of Professor Holloway, to acknowledge most gratefully that her husband is quite cured. Professor Holloway hopes that the thousand others who have been benefited will now come forward.
