

## Two Empire Drills for Sale.

At Vancouver, B.C.

In charge of the Geological Survey, Department of  
Mines, Pacific Bldg., Vancouver, B. C.

**Two Complete 6 in.  
EMPIRE DRILLS  
which have never  
been used.**

These Drills were purchased for the Munitions Resources Commission to be used in prospecting for certain minerals just before the close of the War. The total value of the complete equipment, which includes clean up and assay outfits and all accessories, is upwards of \$,9000.

### Empire Drills are used for

prospecting gold, tin, and other placer deposits,  
prospecting coal, iron and copper deposits,  
prospecting kaolin, phosphates, etc.  
boring in conglomerate or gravel or material of similar nature,  
drilling of oil and water wells,  
testing of foundations, etc.

The drills were purchased from the New York Engineering Company, 2 Rector Street New York City, and among their circulars there are testimonial letters from Mr. F. S. Clarke, British Columbia Drill and Dredging Co'y., Vancouver, and Mr. G. H. Knowlton, Vancouver.

Full Particulars and Prices on application to the Geological Survey, Department of Mines, at address given above, or to the Secretary, War Purchasing Commission, Ottawa, Ontario.
