Milk of Bismuth

Worth Remembering When You Write the Prescription:

1. Milk of Bismuth (P. D. & Co.) is a simple suspension of pure hydrated oxide in distilled water.
2. It contains no sugar, gums or preservatives.
3. It is free from arsenic.
4. It agrees with the most sensitive stomachs.

There are bismuth preparations of which these things cannot truthfully be said. Be on the "safe side." Don't experiment. Specify "P. D. & Co."
