

"EONA."

E devôte most of our space this issue, to an article by an English lady authoress, of considerable repute, who has given special attention to the Railway service in the old land. She intends saying something further in our next issue.

It is a pleasing thing to know that there is a vigorous Christian Association of Railway men at the oldest station in the world.

GOSPEL TEMPERANCE.

FROM time to time it has been asked "why do you not make more of temperance in your work? Why do you not hold a temperance meeting some times?"

One day recently Mr. W. H. Howland, our beloved Chairman, said, "We must make more of temperance in our work." So we have arranged to hold a Gospel Temperance Meeting the first Lord's Day of each month, when we will have some of our best speakers present to address us, and receive the testimony of those who are free from the vile curse of strong drink.

GOD IS LOVE.
