

# Safe and Timely Investments

At no period in our experience of over a quarter of a century, have there been so many new investors in Government and Municipal debentures as during the past six or seven months.

This is due to the fact that these securities constitute the safest class of investment, and that owing to present financial conditions, they are now obtainable at most advantageous prices. They are readily resaleable and are being constantly purchased by such discriminating investors as Banks, Insurance, Loan and Trust Companies.

Our latest list contains full particulars of such high-grade debentures as:

GOVT. PROVINC. ONTARIO
