Read some recommendations:

Hon. CLINTON B. FISK, (Prohibition Nominee for the Presidency) says:

In our home are five grandchildren who can repeat "The Brownies" page after page, and they remember Palmer Cox in all their prayers. "QUEER PEOPLE" has set them wild with delight. I sat down to examine the new book, but had to abandon the undertaking until the little folks had gone through it and devoured every animal. QUEER PEOPLE IS A TRIUMPH. It ought to find a place in a million homes. LONG LIVE PALMER COX.

Dr. WILLIAM A. HAMMOND (formerly Surgeon General U. S. Army) says:

A beautiful book. It will do a great deal towards amusing the little ones and in developing their perceptive faculties.

From HOWARD CROSBY, D.D., LL.D.:

The "QUEER PEOPLE" has the fascination that belongs to ÆSOP and UNCLE REMUS. The burlesque of human action in the brute creation makes the moral lesson more attractive and impressive. Palmer Cox has provided in his admirable sketches a rare mingling of useful truth with most enjoyable fun.

THE CHAUTAUQUAN says:

In this gorgeous-covered book the ready pen and pencil of Palmer Cox have depicted wonderful things about the "QUEER PEOPLE," sure to win favor.
