**The Royal Military College**

THERE are few national institutions  
of more value and interest to the  
country than the Royal Military College  
of Kingston. At the same time its ob-  
ject and the work it is accomplishing  
are not sufficiently understood by the  
general public.

The College is a Government insti-  
tution, designed primarily for the pur-  
pose of giving the highest technical in-  
structions in all branches of military  
science to cadets and officers of Cana-  
dian Militia. In fact it is intended to  
take the place in Canada of the English  
Woolwich and Sandhurst and the Ameri-  
can West Point.

The Commandant and military instruc-  
tors are all officers on the active list of  
the Imperial army, lent for the purpose,  
and in addition there is a complete staff  
of professors for the civil subjects which  
form such a large proportion of the Col-  
lege course.

Whilst the College is organized on a  
strictly military basis the cadets receive  
in addition to their military studies a  
thoroughly practical, scientific and sound  
training in all subjects that are essen-  
tial to a high and general modern educa-  
tion.

The course in mathematics is very  
complete and a thorough grounding is  
given in the subjects of Civil Engineering,  
Civil and Hydrographic Surveying,  
Physics, Chemistry, French and English.  
The object of the College course is  
thus to give the cadets a training which  
shall thoroughly equip them for either a  
military or civil career.

The strict discipline maintained at the  
College is one of the most valuable fea-  
tures of the system. As a result of it  
young men acquire habits of obedience  
and self-control and consequently of self-  
reliance and command, as well as exper-  
ience in controlling and handling their  
fellows.

In addition the constant practice of  
gymnastics, drills and outdoor exercises  
of all kinds, ensures good health and fine  
physical condition.

An experienced medical officer is in at-  
tendance at the College daily.

Seven commissions in the Imperial reg-  
ular army are annually awarded as  
prizes to the cadets.

The length of course is three years, in  
three terms of 9 1-2 months' residence  
each.

The total cost of the three years' course, including board, uniforms, in-  
structional material, and all extras, is  
from \$750 to \$800.

The annual competitive examination  
for admission to the College will take  
place at the headquarters of the several  
military districts in which candidates re-  
side, in May of each year.

For full particulars of this exami-  
nation or for any other information ap-  
plication should be made as soon as pos-  
sible, to the Adjutant General of Mil-  
itia, Ottawa, Ont.
