DOMINION CORSET COMPANY
Montreal QUEBEC Toronto

Makers of the Celebrated D & A and La Diva Corsets

IT doesn't need any argument to prove to you the advantage of owning a sound-producing machine which plays any style or make of disc record. The Phonola not only does this, but it does more: it plays them with an absence of blurring and scratching to irritate your nerves and spoil your enjoyment. The Phonola is a purely Canadian product, made in a wide range of styles and sizes, and priced from \$15 to \$250.

Phonola
REGISTERED

Plays all disc records. Send for free illustrated catalogue, and receive also a copy of our new catalogue of records.

Agents wanted in unrepresented towns. Our sales-promoting plans offer a splendid opportunity to responsible dealers. Write for details.

A HINT OF THE SPRING STYLES

NOS. 9281, 9276.—Street dresses will be very simple for spring wear, and this model is extremely girl-like and attractive. The plain blouse, with the collar that suggests the cape idea, is exceedingly smart, and the skirt, while plain, is given a touch of individuality by the lapped edges on the front.

For the girl of sixteen years the blouse will require 2 1/4 yards of material 36 inches wide, or 1 1/2 yards 44 inches wide, with 5/8 yards 36 inches wide for collar and cuffs. For the skirt will be needed 4 1/2 yards 36 inches wide, or 2 5/8 yards 44 inches wide. Price 10 cents for the blouse; 15 cents for the skirt. The pattern of the blouse No. 9281 and of the skirt No. 9276 both are cut in sizes for 16 and 18 years.

NOS. 9275, 9278.—Fine French serge is one of the best liked materials for simple gowns such as this. It is always useful and durable, but the model can be copied in satin if something handsome is wanted, in broadcloth, or any seasonable material. The six-gored skirt is good for the use of two materials.

For the medium size the blouse will require 2 1/4 yards of material 36 inches wide, or 2 1/2 yards 44 inches wide, with 3/4 yards 36 inches wide for the chemisette. For the skirt will be needed 3 1/2 yards 36 inches wide, or 2 1/2 yards 44 inches wide of material without any up and down; 4 1/2 yards 36, or 3 1/4 yards 44 inches wide, of material with figure or nap. The blouse pattern No. 9275 is cut in sizes from 34 to 44 inches bust, and the skirt No. 9278 in sizes from 24 to 34 inches waist measure. Price 15 cents each.

N O. 9064.—No garments are better adapted to the small child's use than rompers. These are designed for the very tiny folk and are buttoned together.

For the child of two years will be needed 2 yards of material 27 inches wide, or 1 1/2 yards 36 inches wide. The pattern No. 9064 is cut in sizes for 1, 2 and 4 years. Price 10 cents.

N O. 8941.—A very full variety of the blouse suit is in demand for the little boy. This one is quite novel. The blouse may be worn as it is here or with a belt. The straight trousers are materials or of one throughout.

Patterns of styles shown above will be mailed to any address upon receipt of 10c. When ordering Pattern Department, EVERYWOMAN'S WORLD, Toronto, Ont.

For the boy of four years will be needed 1 1/2 yards of material 36 inches wide for the blouse, with 3/4 yards for the trousers and the trimming. The pattern No. 8941 is cut in sizes from 2 to 6 years. Price 10 cents.

N O. 8975.—Mothers of restless children will appreciate this nightgown; it is perfectly simple, loose and ample, and the extension at the back, which is buttoned on to the front, means that it can be kept in place in spite of restless sleep.

For the child of four years will be needed 2 1/2 yards of material 27 inches wide, or 2 1/2 yards 36 inches wide. The pattern No. 8975 is cut in sizes from 2 to 6 years. Price 15 cents.
