

## CANADIAN FEDERATION OF STUDENTS — SERVICES

### *Volunteer Abroad*

#### WHAT IS IT?

*Volunteer Abroad is an opportunity for Canadians and youth from all over the world to work together on volunteer community projects in over 20 countries. Volunteers benefit from the experience of living and working with other volunteers as part of an international group whose energy is devoted to providing a useful service, while also gaining a greater knowledge and understanding of the world.*

Canadians can volunteer for camps in: Belgium, the Czech Republic, Denmark, France, Germany, Hungary, the Netherlands, Poland, the Slovak Republic, Spain, the United States and the United Kingdom.

Camps are designated as social (working with children), environmental (manual work in parks, nature protection), archaeological (volunteering on digs), renovation (renovating historic sites and buildings) and agricultural.
