

2. To encourage the organization of premieres and days of Canadian films in the USSR and Soviet films in Canada. The terms for carrying out these initiatives will be negotiated directly by the competent Canadian and Soviet organizations;

3. To encourage the participation of Canadian films and delegations in international film festivals in the USSR and of Soviet films and delegations in international film festivals in Canada. Both sides agree to ensure that films provided for screening during such festivals will be returned promptly and in good condition to their appropriate authority;

4. To encourage the exchange of specialists (delegations or individuals) who may represent the broad concerns of cinematography, and the exchange of information in the field of cinematography;

5. To encourage and facilitate contacts already established between the Quebec "Société générale du cinéma" and SOVINFILM and SOVEXPORTFILM;
