TRAVELLING BY CAR

Keep in mind that each country has its own driving regulations. In some countries, a driver may be questioned and/or detained by police following even a minor accident. You may be required to obtain an International Driving Permit and/or additional insurance to drive a vehicle in another country. MONEY MATTERS

Canadian currency and traveller's cheques are rarely accepted abroad. Before you leave Canada, consult a bank or foreign currency agent to find out the most appropriate currency to carry.

It is always a good idea to have a small amount of local currency on hand when you arrive, unless importing local currency is a crime. There may be restrictions on the amount of money you can take into or out of a country. Check currency regulations with your travel agent or the country's embassy or consulate in Canada.
