

Questions

2. Methods of disseminating such information include: (a) Foreign Trade Magazine, a fortnightly publication of the Department of Trade and Commerce; (b) Trade missions to Britain sponsored by the department; (c) Participation in trade fairs in Britain sponsored by the department; (d) News releases, magazine and newspaper articles, speeches, and similar forms of publicity; (e) Periodic tours of Canada by trade commissioners from the three posts, London, Liverpool and Glasgow, maintained by the department; (f) Periodic tours of Canadian industry by commodity specialists and other head office personnel; (g) Personal contact with the exporting community by officers of the department's six regional offices across Canada; (h) Participation by departmental personnel in Export Study Groups, seminars, annual conventions, forums, etc.; (i) Dissemination of market access information such as tariffs, import regulations, etc., to Canadian trade associations and firms; (j) Assistance to Canadian firms on transportation, documentation and packaging problems; (k) Information on export financing through the Export Credits Insurance Corporation; (l) On request, provision by Trade Commissioners of market information, recommendation of agents, status reports on British firms, etc.

MILK SUBSIDY

Question No. 1,109—**Mr. Muir (Cape Breton North and Victoria):**

Has the Minister of National Health and Welfare received a resolution from the Cape Breton county municipal council requesting the federal government under ARDA or any appropriate agency to undertake the steps necessary to provide an economical price market for milk not required for the fluid milk market by the use of subsidy or other means and, if so, what action has been taken by the minister?

**Hon. A. J. MacEachen (Minister of National Health and Welfare):** Yes. The dairy policy recently announced by the Minister of Agriculture includes a subsidy for milk not required for the fluid milk market.

NUCLEAR POWER PRODUCTION

Question No. 1,114—**Mr. Mather:**

What is the estimated percentage of Canada's power needs which will be produced by nuclear stations by 1980?

**Mr. Jack Davis (Parliamentary Secretary to Minister of Mines and Technical Surveys):** No precise estimate can be given, since there

are uncertainties in the estimate of total installed capacity of nuclear power stations and also in the estimate of the total installed capacity of all types of power stations in Canada by 1980. An approximate estimate is that the installed capacity of nuclear power stations will be just over 10 per cent of Canada's total installed electrical capacity at that time.

PUBLIC SERVICE SUPERANNUATION FUND

Question No. 1,136—**Mr. Howe (Hamilton South):**

1. In each of the past ten years, what has been the balance in the public service superannuation fund?

2. In each of the past ten years, what amount has been added to the fund by (a) civil servants' contributions (b) the government, and (c) other sources?

3. In each of the past ten years, what amount has been disbursed from the fund in (a) benefits, and (b) other expenditures?

**Hon. Mitchell Sharp (Minister of Finance):** 1, 2 and 3. The answers to these questions are contained in table 1, parts 1 and 2 of the report of the administration of the Public Service Superannuation Act for the fiscal year ended March 31, 1965, which was tabled in the House of Commons on March 31, 1966.

\*ACTIVITIES OF F.B.I. IN CANADA

Question No. 1,151—**Mr. Basford:**

1. Do officers of the United States federal bureau of investigation operate in Canada and, if so, under what arrangement?

2. Do such arrangements provide that any operations in Canada by the F.B.I. shall be with the knowledge of and under the supervision and control of the R.C.M. Police or local Canadian police forces?

3. Are officers of the F.B.I. permitted to question Canadian residents in Canada without the presence at such questioning of an officer of the R.C.M. Police or a local Canadian police force?

4. Was Mr. Alfie Gunn, an officer of the F.B.I., permitted to question members of the Briscoe family of Clark Road, Port Moody, British Columbia, in the absence of a R.C.M. Police or local police officer and, if so, under what arrangements?

**Hon. L. T. Pennell (Solicitor General):** Mr. Speaker, the answer is as follows: 1. Agents of the United States Federal Bureau of Investigation have no jurisdiction in Canada. Informal practices of long standing do, however, exist whereby under certain circumstances agents of the United States Federal Bureau of Investigation can secure the assistance of the Royal Canadian Mounted
