Mr. Len Taylor (The Battlefords—Meadow Lake): Top of the morning to you, Sir.

Mr. Speaker, this amendment calls for the minister to ensure that a full review of the act occurs at least every five years starting with the first review on or before January 1, 1997.

The amendment is very similar to the call for a five-year review of the act governing agriculture legislation passed in this House earlier this session, the Gross Revenue Insurance Program and the Net Income Stabilization Account program legislation which were brought before this Parliament and passed in the form of Bill C-98.
