My dear General Currie:

I have your letter dated the 24th of March with reference to Mrs. Mary Brinkman of Victoria. I will be very glad indeed to do what I can for Mrs. Brinkman, both on her own account and for your sake. I am not very familiar with the terms of the Mothers' Pension Act but I am in close touch with those who are and will seek advice and assistance.

With kind personal regards, both for yourself and Lady Currie,

Yours as ever,

VWO:AH
