Dear Sir,

I am making an appreciation of the situation regarding tuition fees in Canadian universities, and it will help me greatly if you can let me have the following information by return mail:-

Fees for Session 1932-33

Are these lower or higher than 1931-32?

What is the total fee, inclusive of all special charges for registration, student activities, etc. etc., in each Faculty?

Thanking you in advance,

I am,

Yours faithfully,

Principal
