

CRISP Engravers
ON ZINC, WOOD, AND
COPPER

**printing &
publishing Co**

Photo-Processes

OUR SPECIALTY

surface is such that a beautiful soft effect is obtained.

Our Zinc plates are made on a specially hard quality of Zinc, deep etched and will stand a much longer run than plates on Zinc ordinarily used.

All kinds of line engravings made on Zinc by photo-process.

SPECIMENS OF WORK AND ESTIMATES ON APPLICATION.

201 & 203 YONGE STREET, - - TORONTO.
