¶After a lapse of many years, Charles Warren Stoddard, so celebrated for his beautiful "South Sea Idyls," which have become a classic in American Literature, again presents the public with a collection of idyls and stories of these summer seas full of his charming word-pictures and exquisite touches which tell of dream-life in fairyland. Of his first collection Ralph Waldo Emerson's prophecy, "I do not think that one who can write so well will find it easy to leave off," is true as this his second collection is now published.

To quote from others

William Dean Howells

¶"The lightest, sweetest, wildest, freshest things that ever were written about the life of that summer ocean."

Lafcadio Hearn

¶"The Idyls will always haunt me, and I am sure they will live in the hearts of many as everything beautifully human must live."

Rudyard Kipling

¶"Your book is a very tropic of color and fragrance. The man who can write South Sea Idyls can write anything he cares to put his hand to."

Walt Whitman

¶"I have just reread your sweet pages all over, and I find them indeed soothing and nourishing after their kind, like the atmosphere."

Henry Wadsworth Longfellow

¶"There is a flavor of the soil about your work I much like."
