DEDICATION OF A RUTHENIAN CHURCH

Miriam Elston's Impressions of the Strangely Simple "Albertan Invaders."

LONDON, Nov. 16.—(C.A.P.)—The graphic, the popular weekly illustrated paper, has an interesting article by Miriam Elston on "The Ruthenian Invaders of Alberta."

"Dawn, dim and weird, was creeping in over the Albertan prairie," Miss Elston writes, "only a faint, narrow rim of light, close to the eastern horizon, showed its yet on the sky."

"The people who made their way towards it felt in it the joy of possession. Many days of labor, when conditions for labor were hard, had contributed towards the erection of their new church."

"It has been a big day," she writes. "By the aid of my gestures on my part, she grasped my meaning."

LEADING HORSEMAN DEAD AT LISTOWEL

W. C. Kidd Passed Away at His Residence Sunday, After Long Illness.

(Special to The Toronto World.) LISTOWEL, Ont., Nov. 16.—W. C. Kidd, one of the best known and most popular horsemen in Canada, died at his residence this afternoon, at the age of 64 years.

Mr. Kidd was a prominent figure in the horse industry of Canada. For many years he was the senior member of the firm of Kidd Bros., widely known for their fancy drivers and saddle horses.

Since the death of R. T. Kidd, a few years ago, Mr. Kidd had been president of the W. C. Kidd, Listowel, and was an excellent Clydesdale, Belgian and Percheron horseman.

A wife and two daughters at home, and one son, E. W. Kidd, of Owen, Wis., survive.

BERLIN, Nov. 15.—(Special.)—The National Zeitung publishes a report that the woman registered at the Hotel Adlon as Lady Grace of Westmore, who has been collecting a million signatures for woman suffrage, is none other than the Austrian vaudeville artist, Amelie Heller, whom Louisa, Marchioness of Waterford, adopted as her heir some years ago.

SILVER WEDDING OF JOE CHAMBERLAIN

British Statesman and His Third Wife Are Recipients of Congratulations.

LONDON, Nov. 15.—(Can. Press.)—Congratulations were showered today from all parts of the world on the Rt. Hon. Joseph Chamberlain, the British statesman, and his wife, on the occasion of their silver wedding.

George and Queen Mary sent their most cordial personal felicitations and there were a large number of callers at Prince's Gardens, where the Chamberlains reside, in the west end of London.

The popularity of the aged statesman, who is in remarkable good health, was evidenced by the gathering of a great crowd who cheered outside the house.

Mr. Chamberlain's present wife was Miss Mary Endicott, the only daughter of W. C. Endicott, late judge Massachusetts supreme court (1873-82), and secretary for war of President Cleveland's first administration.

Two years previously had Mr. Chamberlain entered the bonds of matrimony, but on each of the other occasions his wedded life was short, the first lasting but two years and the second but seven.

FIREMAN AND A BOY KILLED IN COLLISION

ST. ALBANS, Vt., Nov. 15.—(Can. Press.)—A collision between two freight trains on the Central Vermont Railway today caused the death of fireman W. C. Kimball of St. Albans, and a 14-year-old boy, John Tietbold, who was riding on the train at a way station.

Porter cars were derailed. Railroad officials said it would be morning before the track was cleared. A misunderstanding of orders is believed to have caused the accident.

ONLY FIVE STRIKES BEGAN IN OCTOBER

It Was a Banner Month From Viewpoint of Department of Labor.

FIGURES ARE VERY LOW

Less Than Four Thousand Men Out—More Than Half at Vancouver.

The department of labor reports that the industry from the standpoint of the number of trade disputes in existence was better in October than at any time during the year.

The loss of time to employees thru trade disputes actually commencing during the month was 1,000,000 man-hours, and in all there were only eight disputes in existence, this number including those already in existence at the beginning of the month.

About 8677 employees were directly and indirectly involved in the disputes of the month. About 10,000 working days were lost thru strikes and lockouts during October, as compared with 23,230 during September and 38,000 in October, 1912.

CHEER FOR THOSE WHO REJECT VIRGIN BIRTH

Professor Michael Tells Sherbourne Street Audience Their Arguments Are Good.

"HE WAS BORN OF WOMAN"

Statement of Apostle Paul Was Commented on by Victoria Professor.

"There are those who do not accept the virgin birth, and there is much that they can say," was Prof. J. H. Michael's frank utterance at Sherbourne Street Church last night. It was announced by the Rev. J. H. Michael, who presided at the closing session of the clinical congress at Chicago.

To prevent "criminal malpractice" so far as possible, the congress appointed a committee to visit the state legislatures of this country and the provinces of Canada to urge enactment of the following into law:

Require that physicians to have five years' experience in general medical practice before permitting them to practice surgery, ordering that two years of their practice be passed in active hospital work or under the direction of a surgeon generally recognized as a specialist in the branch requiring medical colleges to give full clinical advantages as part of their courses in medicine.

LEVEL OF PRICES STILL CLIMBS UP

Potatoes, Hogs, Cheese and Western Grain Alone Are Cheap.

DAIRY PRODUCTS HIGH

Textiles, Too, and Coal and Beef and Nearly Everything Else.

The department of labor index number of wholesale prices stood at 156.3 for October, 1913, as compared with 139.0 in September, 1913, and 138.0 for October last year. Corn, peas, Ontario barley, hay and bran were higher, but wheat, flaxseed and clover hay were lower. Cattle and hogs were higher, but hogs and hog products continued to decline. All dairy products were higher except cheese. Fresh Canadian fruits and potatoes advanced, but imported fruits, beans, peas and vegetables were lower. Record prices for jute and the highest price for cotton since 1911, raised the level of textiles. Copper, brass and iron were up, but steel, tin, quicksilver and silver were lower. Brooms were steeply up. Rope and rubber declined.

In retail prices, meats, eggs, milk and butter were higher, but there was a general decline in potatoes as the crop came on the market. Beans, flour, rolled oats and sugar showed weaker tendencies, while evaporated apples and coal were upward.

TOWNSPEOPLE JOIN IN THREE FUNERALS

Collingwood Downcast—Practically All Business Stopped During the Day.

COLLINGWOOD, Ont., Nov. 15.—Only in Collingwood has been the saddest in the history of the town. Three funerals in as many hours—those of Archie Brooks, Alan Dodson and James Scott, who were drowned off the "Wexford" Archibuteo was laid away in the Presbyterian cemetery and was followed by a large funeral cortege, and an hour after Alan Dodson was given a military funeral, he being a member of the 35th Regiment of the Simcoe Foresters' bugle band. The band and other members of the regiment followed to the Anglican church cemetery. The last post was sounded and a salute was fired over the grave.

The townspeople who farm and clip all over the country joined in the procession, while crowds lined the sidewalks all along the route to the cemetery.

James Scott was taken from his home on Sixth street and another large concourse of neighbors and friends followed to the Presbyterian cemetery.
