## DEBATE REGARDING MARKHAM BRIDGE

Township Wants County and Roads Commission to Pay Larger Share.

### ASSESSMENT DISPARITY

Reeve of Scarborough Would Amend Clause Relating to Exemptions.

The question of whether the York County commissioners should reconsider their decision in the matter of their grant towards the construction of the Locust Hill bridge was a much discussed one at the meeting of the county council yesterday.

The commissioners recommended a sum of \$2000 and the Markham representatives asked that it be increased to \$5000.

Reeve Nigh of Markham said that he had been legally advised in the matter and he found that even if the bridge had been assumed by the township, the county could be held liable for repairs. The fact that the county after viewing the situation had inserted a clause in their recommendation that it should not be held responsible in the future was to him an indication that the council fully appreciated their position in the matter.

The fact was that the bridge had to be built and he did not want to have to proceed against the county to pay their part if he could avoid it. He thought that if the highway commissioners should contribute \$6000 and the municipality of Markham \$4000, it was a fair amount and the rest should be assumed by the county.

**Wanted Larger Grants.**

R. A. Fleming said the Markham representatives were not asking too much from the county as that township had received very little in the past. The best plan would be for the good roads commission, county commissioners and Markham representatives to confer together and find the easiest way out. By that means perhaps the highway commission would increase their grant to \$7500, the township \$7500 and the county might contribute \$5000 and make up the cost of the bridge.

The warden stated that the county commissioners had decided that the grant of \$2000 was final.

H. D. Ramsden said he could not see that the county were liable for the repair of the bridge and as the good roads had assumed it, in his opinion, it was up to them to build it.

The matter was left to the warden, county commissioners and a special committee.

A deputation appeared before the council to appeal against the award of the arbitrators in regard to the dissolving the union between S. S. No. 3, Etobicoke and S. S. No. 24 York.

**After Union S. S.**

School inspectors decided that the arbitrators decided it was best to alter the union and not dissolve it. A petition signed by 77 residents north of the C.P.R. tracks, asked that they remain in the union. Etobicoke was a small section with an assessment of \$24,465, and its school was not up-to-date. Had he been strict in his inspection he would have condemned it long ago.

Reeve Syme said he would rather the arbitrators had decided to dissolve the union altogether, as candidly, he believed that the section protesting should not have been allowed.

On his motion it was decided to appoint another arbitration board.

**Jersey Creek Bridge.**

The clerk read the decision of Judge Morgan in the case of North Gwillimbury against the county in regard to the Jersey Creek bridge. The case was tried 5 years ago before the judge, but his decision was not announced until March 9. His honor found the structure in a very dilapidated condition, both in its approaches and abutments. It would have to be repaired as it was connected with a number of leading roads. North Gwillimbury will pay one-fifth the cost and the county four-fifths.

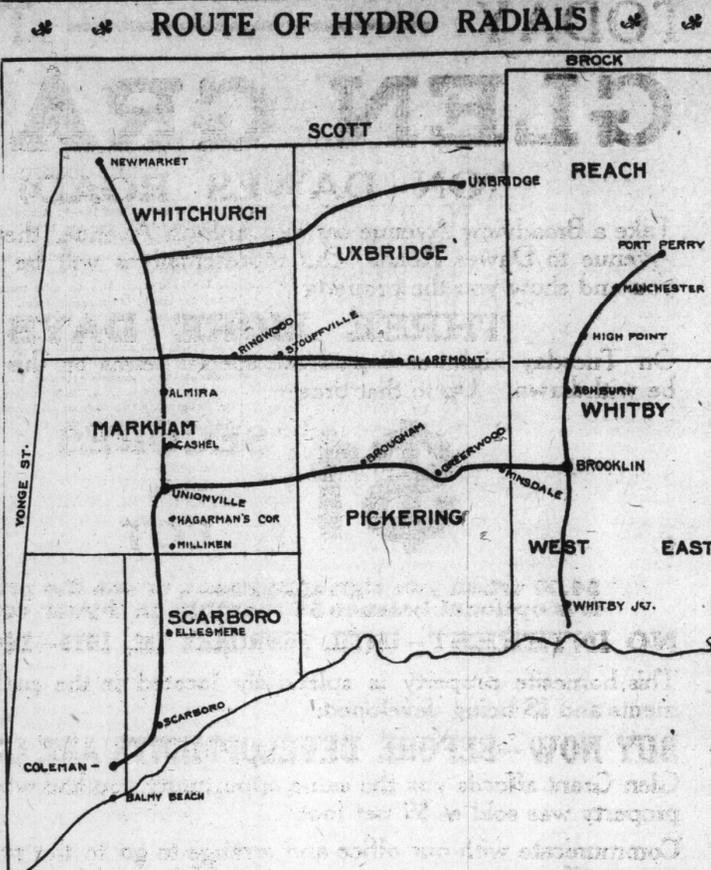

The warden announced that the county commissioners had been advised to appeal from the decision. Reeve Ramsden said the award seemed very clear and thought an appeal unnecessary.

The matter was left to the county commissioners and the solicitor.

**Assessment Amendment.**

Reeve Cornell of Scarborough asked leave to petition the legislature to amend the Assessment Act to determine and limit the amount of land that can be held by educational and charitable institutions free of county and township taxes. The motion was allowed. The license for pedlars and hawkers was fixed at \$50.

A bylaw promoted by the Township at York extended the time of assessment from May 1 to June 1, and the closing of the revision, six weeks from June 1, and the time for final return

This map shows the main line and branches of the hydro radial railway, to be built north and east from Toronto.

tried 5 years ago before the judge, but his decision was not announced until March 9. His honor found the structure in a very dilapidated condition, both in its approaches and abutments. It would have to be repaired as it was connected with a number of leading roads. North Gwillimbury will pay one-fifth the cost and the county four-fifths.

**THORNHILL**

Mr. E. Goulding is erecting an extensive summer cottage on Jackson avenue, which he hopes to occupy in a few weeks. J. J. Davidson is building a brick house on Centre street having disposed of his former residence. Excavations are completed for two houses on Johns street, and one or two more are in prospect.

Arrangements are being completed for a union picnic of the Methodist and Presbyterian Sunday Schools to be held at Bond Lake about the third of July.

The continued dry weather is having an unfavorable effect on the crops. Hay is quite light and other crops are suffering. The corn is coming up nicely, of which considerable has been seen in this vicinity.

**CHANGE IN LOCATION OF FAIRBANK BOOTH**

The matter of a convenient polling booth for North Barcourt and Fairbank section, number 28, has been satisfactorily adjusted. Instead of voting poll at Oakwood, as previously announced, they will go to the poll at Wick's grocery store on Ennesdale road. The section boundaries are North, Eglinton, south, the line fence south of Eversfield road; east, Dufferin street and west, northern tracks.

**NOBLETON**

The twenty-fifth anniversary of St. Albert's Church, Nobleton, will be marked by special services of Sunday when the Rev. G. S. Despard, rector of Trinity Church, Aurora will preach at both the services. The choir will render special music.

On Monday night a lecture on "Irish Wit and Humor" will be given by Rev. G. W. Tobbs, rector of St. Mark's Church, Orangeville, in Nobleton Music Hall. A hundred and forty views of Ireland will be shown.

**WESTON**

The Rev. Mr. Symington, of Beaverton, will officiate at both services in Westminster Presbyterian Church, Weston, tomorrow. Mr. Symington will be assisted by Rev. G. S. Despard, rector of Trinity Church, Aurora, and Rev. Mr. Turner, of Kirkfield, 28th inst. The services will be conducted by the Rev. W. D. Richardson, of Arthur.

The annual Convention of York Township Sabbath School Association, will be held at the Methodist Church, Willowdale, on Tuesday, June 23.

**KING'S CAFE**

14 King St. East

Special noon-day luncheon served daily at 50 cents. Orchestra in attendance. Attractive surroundings; best of service and excellent French cuisine. Take elevator, first floor up.

## ABATE SMELL NUISANCE BY DIVERTING STREAM

Residents in the neighborhood of Woodville avenue and Conduit street and Keele and Bloor streets will not be annoyed by the odors which have bothered them lately, within a few days," stated Ald. Sam Ryding to The World last night. The place in question is the ravine between the four streets into which sewage has been emptying from the service sewers in the neighborhood for many weeks past. Many and bitter have been the complaints regarding the offensive odors which have poisoned the air in the vicinity of the ravine and many indignant citizens have told stories of having to keep doors and windows tightly closed day and night.

Ald. Ryding took the matter up over a week ago and implored the M. C. H. and commissioner of works until they promised to give some relief.

Visit of Inspection.

On Wednesday afternoon, accompanied by the alderman, the entire board of control with the exception of Councilman Church visited the district and relief has been promised immediately.

**To Divert Stream.**

The flow to be diverted from the ravine to the completed Bloor street sewer and a gang of men are now at work on it. The run will be displaced and cleaned and as far as possible deodorized.

Preparations for the annual installation of officers on July 3rd were made at the meeting in St. James' hall last night of Toronto Junction Council, R. T. of T. The evening which followed the business session was a social one and an excellent program was arranged by the convenors Mrs. Henley and Miss Stella Switzer.

**New Freight Sheds.**

A large addition is being built to the Grand Trunk freight sheds on York road north, which will, when completed, cost in the neighborhood of \$6000. The freight offices will occupy the south end of the new building which will be frame.

The death occurred last night of Henry, the infant son of Mr. and Mrs. F. W. Colquhoun of 122 Uxbridge avenue. Internment takes place this afternoon in Prospect Cemetery.

## ISLINGTON-ST. GEORGE'S CHURCH ANNIVERSARY

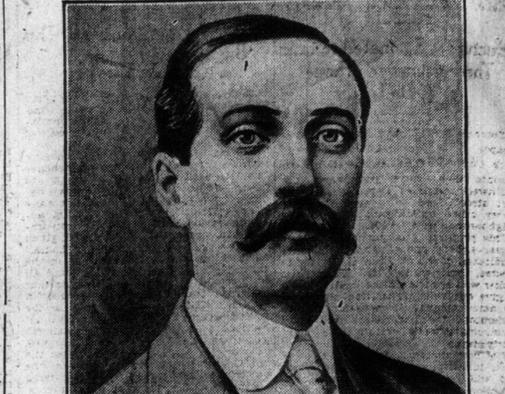

The seventieth anniversary of St. George's Anglican Church, Parish of Islington, will be marked by special services tomorrow. At 8 a.m. the rector, Rev. Frank Vipond, will officiate. At 11 a.m. the service will be taken by Canon Macklem, D.D., pro-rector of Trinity College, Toronto; and at 7 p.m. the Rev. R. J. Moore, M.A., Rector of St. George's Church, Toronto, will conduct the services.

**Garden Party.**

The anniversary will be further celebrated by the holding of a garden party on Wednesday next, 24th inst., from 3 to 10 p.m., in the orchard of J. Tischo, Dundas street, immediately east of the churchyard. A band will be in attendance and games, sports and girls' musical drill, will form features of the program. There will also be a display of fireworks at 9.30 p.m.

# KIDNEYS CURED AND VITALITY REGAINED

Prominent Ontario Merchant Says He is Enjoying "The Best Health I Ever Had" Thanks to "Fruit-a-tives."

**B. A. KELLY, ESQ.**  
HAGERSVILLE, ONT., Aug. 26th, 1913

"About two years ago I found my health in a very bad state. My kidneys were not doing their work, and I was all run down in condition. I felt the need of some good remedy, and having seen 'Fruit-a-tives' advertised, I decided to try them. Their effect I found more than satisfactory. Their action was mild and the result all that could be expected.

"My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today I am as well as ever, the best health I ever had, and I unhesitatingly give you this letter and my photo for publication if you wish."

**B. A. KELLY.**

"The greatest kidney remedy in the world," is what thousands of people say about "Fruit-a-tives" and it is true. "Fruit-a-tives" builds the kidneys, strengthens the kidneys, cures the kidneys, as nothing else will. All over Canada today, hundreds of people who were sick and suffering are curing themselves of kidney and bladder troubles, Rheumatism and Lumbago by taking "Fruit-a-tives," the famous medicine made from fruit juices.

"Fruit-a-tives" is sold by dealers everywhere at 50c a box, 6 for \$2.50, trial size 25c, or will be sent on receipt of price by Fruit-a-tives Limited, Ottawa.

## MOUNT DENNIS—ANOTHER BRICK PLANT STARTED

The new brickmaking firm on the fifth concession, the J. S. Marshall Brick Co., have arranged to start delivery of bricks on Monday next, when 250,000 will be on hand. The result of the operation has proved so successful as had been hoped, and it is claimed that the bricks, which are burnt in open hearth kilns, are as good as the best produced in the neighborhood.

The brickmakers of the district are arranging a picnic to Berlin on Aug. 8.

**Has Recovered.**

Little Violet Burton, six or seven years old, daughter of a carpenter residing on Hollis street, Mount Dennis, who was run over by an automobile on Wednesday and taken to Grace Hospital, has been returned to her home with every prospect of being strong and well again in a very short time.

**Garbage Collection.**

The permanent garbage collection for the Mount Dennis district started yesterday. Notices have been posted by the sanitary authorities that garbage will be collected on Thursday and Friday of the first and second weeks of the month.

The Weston road to the confines of the Village of Weston having been repaired and rolled by the good roads commission, the work was completed yesterday afternoon by an ample sprinkling of oil, to the great relief of the residents from the intolerable dust nuisance.

**Sunday Cars.**

The hoped-for Sunday car service has not materialized. It is the opinion of E. Lemon, the secretary of the Ratepayers' Association, that were a vote taken on the question, it would be unanimous in favor. "The least they could do," said Mr. Lemon, "would be to run cars to Eglintonwood avenue, familiarly known as Hospital road."

The Rev. Gore M. Barron, priest in charge of the Anglican Church of the Good Shepherd, being now on vacation, the services next Sunday will be taken by the Rev. Christopher Land of Peterboro.

**Picnic on Monday.**

The second annual picnic of the Church of the Good Shepherd will be held on Monday next, 22nd inst., to Niagara Falls, where a large attendance is anticipated. A special car, starting at 6 a.m., will carry those who wish to catch the 7.30 a.m. boat at the wharf, but the tickets will be good going on the later steamers.

**HAMILTON HOTELS.**

**HOTEL ROYAL**

Every room furnished with new beds, new carpets and thoroughly redecorated January, 1914.

**BEST SUITE ROOMS IN CANADA**

\$3.00 and up—American Plan. 637

**E. PULLAN**

BUYS ALL GRADES OF WASTE PAPER

ADELAIDE 760. Office: 409 Adelaide St. W.

# Gas RANGES Tank Heaters Automatic Heaters Gas Irons

**THIS GAS RANGE HELPS TO REDUCE HOME EXPENSES**

This excellent Cabinet Gas Range is fitted with four top burners (three single, one giant) and a simmering burner. Two oven burners are lighted by pilot from outside. The interior of ovens are finished in baked aluminum. Has drop oven doors. White-enamelled door panels. High and low shelves. Fitted with "Fuzer" Just Press the Button lighter. All ranges guaranteed and inspected; free. Connections free if not more than six feet of pipe are required.

**\$7.80 CASH DOWN, Balance Monthly with Gas Bill**

**Don't Heat the Whole House Every Time You Want Hot Water**

Don't destroy your day's peace and your night's rest by keeping a fire in the coal range. Put the fire out. The whole house will be more comfortable for it. It will improve your rest. A coal fire is not required if you have

**A Vulcan Gas Water Heater**

It is so constructed that every possible heat unit goes into the water, where it will do the most good. Coal ranges are not built to retain the heat. They radiate the heat. They are an expensive means of heating water. It costs less to heat water with gas—because when you only want a limited amount of hot water it is not necessary to start a coal fire, which will go for a long time after you are done with it. Let us tell you more about the "Vulcan."

**\$3.60 CASH DOWN BALANCE Monthly with GAS ACCOUNT**

**The "Beler" Automatic Water Heater Appeals TO MEN Whose Time is Worth Money**

No busy man can afford to bother with appliances that are not dependable; that are not instantaneous; that are limited in their ability to serve. The "Beler" Instantaneous Automatic Water Heater is one of the greatest conveniences that can be installed in the home. It consists of a long copper heating coil and a set of powerful gas burners enclosed in a handsome cast-iron jacket. The water is heated as it flows through the copper coils on its way to the various faucets as they are opened. No gas is used except when hot water is drawn. It pays big dividends in convenience and home comfort.

**THE "BELER" Automatic Water Heater**

**Prices AND FULL INFORMATION On Request**

**A GAS IRON SAVES WORK, TIME AND MONEY**

Thousands of people in Toronto are enjoying the comforts of a cool home through the use of Gas Irons. Gas Irons do away with the necessity of having a coal or wood fire on ironing day. Gas Irons cost very little to operate—much less than by any other means. Gas Irons save time; they finish-up an ironing in quick order, because there is no waiting for irons to heat; or time spent to and fro from the stove. Buy one to-day.

**\$3.50 Payable 50c Cash Down, Balance Monthly**
