Home-Lovers' Club Before and After the Wedding

Before the True Lover's knot is tied you speak of it as "that pretty little house." After the happy day it becomes "our cosy little home." Because we're experts in transforming houses into homes we're interested in the lovers as well as in the homes. Hence our Home-Lovers' Club takes on a new importance as June draws near. The private office of the Club Secretary is on the 4th floor. If you prefer a representative of the Home-Lovers' Club to call and give you particulars, please drop a line to the Secretary. The essential advantage is that you can furnish at the lowest cash prices and arrange the Club plan of extended payments. Day by day we offer Club members just the same as to customers generally the benefit of all our special purchases. For example, here's the list for Thursday customers.
